Dear Sir or Madam:

We write on behalf of our client Emtec, Inc. (“Emtec”) to follow up on our October 14, 2022 notification to you. Emtec recently became aware of a data security incident affecting Emtec’s systems. Emtec is reviewing this incident and has determined that certain data files were accessible to unauthorized third parties for a period of time. Emtec subsequently performed an assessment of these data files and determined, on September 14, that some of the files contained certain personal information for 2 residents of New Hampshire. These individuals were notified on October 14. On November 24, Emtec determined that additional files contained certain personal information for an additional 3 residents of New Hampshire. Emtec’s review to date indicates that the unauthorized access to files containing personal information may have begun on September 7, 2022 and was terminated on September 14, 2022.

After becoming aware of the incident, Emtec undertook a review, working with third party experts and law enforcement, to determine the nature and scope of the unauthorized access and ensure it was contained. After Emtec terminated the unauthorized access, Emtec implemented additional security measures to help further protect against this type of incident going forward.

Emtec is taking action to provide assistance to potentially affected individuals. Emtec previously notified affected individuals by mail on October 14, 2022 and will notify newly discovered affected individuals by mail on December 23, 2022. All affected individuals are provided with 24 months of credit monitoring services from TransUnion. Emtec has also provided information about steps that individuals can take to protect themselves, such as regularly monitoring financial statements and credit reports. A template copy of the notification letter Emtec has sent to affected New Hampshire residents is attached to this notice as Appendix A.

Thank you for your attention to this matter.

Sincerely,

/s/Timothy C. Blank

You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

- **Equifax®** -- P.O. Box 740241, Atlanta, GA 30374-0241 – 1-800-685-1111 – www.equifax.com
- **Experian** -- P.O. Box 9701, Allen, TX 75013-9701 – 1-888-397-3742 – www.experian.com
- **TransUnion** – P.O. Box 1000, Chester, PA 19016-1000 – 1-800-888-4213 – www.transunion.com

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

- **Equifax®** -- P.O. Box 105788, Atlanta, GA 30348-5788 – 1-800-685-1111 – www.equifax.com/personal/credit-report-services
- **Experian** -- P.O. Box 9554, Allen, TX 75013-9554 – 1-888-397-3742 – www.experian.com/freeze/center.html
- **TransUnion** – P.O. Box 2000, Chester, PA 19016-2000 – 1-800-909-8872 – www.transunion.com/credit-freeze

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze:

- 1) Full name, with middle initial and any suffixes;
- 2) Social Security number;

- 3) Date of birth (month, day, and year);
- 4) Current address and previous addresses for the past five (5) years;
- 5) Proof of current address, such as a current utility bill or telephone bill;
- 6) Other personal information as required by the applicable credit reporting agency.

If you request a credit freeze online or by phone, then the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file report. If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts 1-year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years. Should you wish to place a fraud alert, please contact any one of the agencies listed below. The agency you contact will then contact the other two credit agencies.

- **Equifax®** -- P.O. Box 105788, Atlanta, GA 30348-5788 – 1-888-766-0008 – www.equifax.com/personal/credit-report-services
