Re: Notification of a Data Security Incident

Dear Attorney General MacDonald:

We represent Fiondella, Milone & LaSaracina LLP ("FML") in connection with an incident that involved the personal information of certain New Hampshire residents. FML previously notified you of this incident on December 13, 2019. FML, on behalf of the data owner, Aventri, Inc. ("Aventri"), is hereby providing you further notice of the incident pursuant to N.H. REV. STAT. ANN. § 359-C:20. This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to its submission. While FML is notifying you of this incident, FML does not waive any rights or defenses relating to the incident or this notice, or the applicability of New Hampshire law on personal jurisdiction.

NATURE OF THE SECURITY BREACH OR UNAUTHORIZED USE OR ACCESS

FML learned that an unauthorized third party gained access to certain FML employees' email accounts. At this point, FML is not aware of any fraud or identity theft to any individual as a result of this incident, and does not know if any personal information was actually obtained by an unauthorized party. Nevertheless, because there was an email account compromise and FML cannot confirm exactly what, if any, information may have been obtained, FML searched the impacted accounts to determine if they contained any personal information. On October 3, 2019, FML determined that the impacted email accounts contained the personal information of certain Aventri employees or related persons, including, depending on the person, their name, address, Social Security number, and/or driver's license number.

NUMBER OF NEW HAMPSHIRE RESIDENTS AFFECTED

FML worked with Aventri to determine the current states of residence for the impacted individuals. It was determined that two (2) Aventri employees were New Hampshire residents

impacted by this incident. FML, on behalf of Aventri, notified the impacted resident by letter on February 27, 2020. Enclosed is a copy of the notice sent to the impacted residents.

STEPS TAKEN RELATING TO THE INCIDENT

Upon learning of the incident, FML promptly terminated the credentials for the impacted accounts and has since instituted additional technical measures designed to reduce the risk of a similar incident occurring in the future. FML is also providing free identity theft protection services to the impacted individuals through Experian.

Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at www.annualcreditreport.com.

Credit and Security Freezes: You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax Security Freeze
