***Re: Notification of a Data Security Incident***

Dear Madam/Sir:

We represent Frock Bros Trucking Inc. ("FBT") in connection with an incident that may have involved the personal information of one (1) New Hampshire resident and provide this notice on behalf of FBT pursuant to N.H. REV. STAT. ANN. § 359-C:20. This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to its submission. While FBT is notifying you of this incident, FBT does not waive any rights or defenses relating to the incident or this notice, or the applicability of New Hampshire law on personal jurisdiction.

**NATURE OF THE SECURITY BREACH OR UNAUTHORIZED USE OR ACCESS**

On or about December 6, 2021, FBT suffered from a cybersecurity incident that prevented FBT from accessing certain electronic files. Upon learning of the issue, FBT quickly began an investigation and took steps to secure its systems and restore access to its files. As part of that investigation, FBT determined that an unknown, unauthorized third party accessed its systems between November 29, 2021 and December 5, 2021 and may have acquired certain documents from our system during that period. On March 10, 2022, FBT determined that the third party may have accessed or acquired files that contained the personal information of certain individuals including, depending on the individual, their name, driver's license number, and Social Security number. At this point, FBT is not aware of any fraud or identity theft to any individual as a result of this incident.

**NUMBER OF NEW HAMPSHIRE RESIDENTS AFFECTED**

On March 10, 2022, FBT determined that one (1) New Hampshire resident may have been involved in this incident. FBT is notifying the New Hampshire resident of the incident by letter today, April 19, 2022. The notification letter will include an offer for twelve (12) months

of complimentary credit monitoring and identity theft protection. Enclosed is a copy of the notice that is being sent to the New Hampshire resident via first-class United States mail.

### **STEPS TAKEN RELATING TO THE INCIDENT**

Upon learning of the incident, FBT promptly controlled the incident by preventing any further access to its system. It also notified the FBI and engaged a forensic security firm to investigate and confirm the security of its computer systems. FBT is undertaking efforts to reduce the risk of a similar incident occurring in the future, including enhancing its technical security measures. Finally, as discussed above, FBT is notifying potentially-affected individuals, providing free credit monitoring services, and providing individuals with information on how they can protect themselves against fraudulent activity and identity theft.

## Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

Equifax

**Fraud Alerts:** You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

**Credit and Security Freezes:** You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze can be placed without any charge and is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
