Re: Reporting a Information Security Breach

Dear Sir or Madam:

Pursuant to RSA 359-C:20 (1)(b), we are writing to notify you of a recent security breach incident that occurred on September 29, 2006 in which one of our employee's laptop was stolen. The stolen laptop contained files and emails with names and social security numbers of 18 New Hampshire residents. We will be mailing a notification letter to the affected New Hampshire residents on or about November 13, 2006.

If you should have any comments or questions, please do not hesitate to contact me.

Sincerely
