Dear <<MemberFirstName>> <<MemberLastName>>,

We are writing to tell you about a data security incident that may have exposed some of your personal information. We take the protection and proper use of your information very seriously. For this reason, we are contacting you directly to explain the circumstances of the incident.

What happened?

A portion of the Internet Chess Club website was attacked by malware that made it possible for customer purchase information to be scraped from the ICC website. The malware was launched on approximately April 1, 2016. It was discovered in late May, 2016, and the vulnerability was immediately repaired. However, as a result of this vulnerability, it is possible that customer transaction records were gathered by an external hacker.

What information was involved?

Compromised information includes <<ClientDef1(Breach Details Variable Text)>> <<ClientDef2(Breach Details Variable Text)>>

Free Credit Report. It is recommended that you remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring your credit report for unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies.

To order your annual free credit report please visit www.annualcreditreport.com or call toll free at **1-877-322-8228**.

You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's ("FTC") website at www.consumer.ftc.gov) to:

Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

You may obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly to obtain such additional report(s).

Fraud Alert. You may place a fraud alert in your file by calling one of the three nationwide credit reporting agencies above. A fraud alert tells creditors to follow certain procedures, including contacting you before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit.

Security Freeze. You have the ability to place a security freeze on your credit report.

A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line, or a written request to any of the three credit reporting agencies listed above. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. The credit reporting agencies may charge a fee to place a freeze, temporarily lift it or permanently remove it. The fee is waived if you are a victim of identity theft and have submitted a valid investigative or law enforcement report or complaint relating to the identity theft incident to the credit reporting agencies. (You must review your state's requirement(s) and/or credit bureau requirement(s) for the specific document(s) to be submitted.)

For Massachusetts residents: The fee for each placement of a freeze, temporary lift of a freeze, or removal of a freeze is \$5.

Federal Trade Commission and State Attorneys General Offices. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your home state. You may also contact these agencies for information on how to prevent or avoid identity theft.

You may contact the **Federal Trade Commission**, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580, www.ftc.gov/bcp/edu/microsites/idtheft/, 1-877-IDTHEFT (438-4338).
