Re: Data Security Incident

Dear Attorney General Foster:

We represent Samela, Inc. d/b/a NorthShore Care Supply ("NorthShore") with respect to a recent security incident involving the potential exposure of certain personally identifiable information described in more detail below.

NorthShore Care Supply is supplier of incontinence products located in Buffalo Grove, Illinois. The vast majority of NorthShore's customer orders are placed via NorthShore's website, <a href="https://www.NorthShoreCare.com">www.NorthShoreCare.com</a>. NorthShore's e-commerce platform is hosted by a third party vendor that maintains and services the website and e-commerce platform.

# 1. Nature of security incident.

On August 24, 2015, NorthShore learned that its e-commerce website may have been compromised. NorthShore immediately hired independent computer security experts to assist with its investigation. While the investigation is still ongoing, it appears that one or more unauthorized individuals may have gained access to NorthShore's e-commerce platform hosted by the third party vendor and inserted malware that captured customers' names, addresses, credit and debit card numbers, security codes, and expiration dates at the point of check-out. Payment cards used to make purchases on NorthShore's website between June 7, 2015 and August 24, 2015 may have been affected.

## 2. Number of New Hampshire residents affected.

Forty three (43) New Hampshire residents were affected by the incident. A notification letter was sent to the affected individuals on October 8, 2015 via regular mail. A copy of the notification letter is included with this letter.

55 West Monroe Steet, Suite 3800 • Chroago, IL 60603 • p 312,704,0550 • f 312,704,1522

# 3. Steps you have taken or plan to take relating to the incident.

NorthShore has taken steps to prevent this type of event from happening again. This includes rebuilding the e-commerce website on a new server and enhancing the intrusion monitoring for the website. NorthShore is also offering potentially impacted individuals with identity restoration services through AllClear ID. Notice was also provided to the credit reporting agencies.

# 4. Contact information.

NorthShore remains dedicated to protecting the sensitive information in its systems. If you have any questions or need additional information, please do not hesitate to contact me at Melissa. Ventrone@wilsonelser.com or (312) 821-6105.

Very truly yours,

Wilson Elsex Moskowitz Edelman & Dicker LLP

## Dear John Sample:

We are writing to inform you of a data security incident that may have resulted in the disclosure of your credit or debit card information. We take the privacy and security of your information very seriously, and sincerely apologize for any concern or inconvenience this may cause you. This letter contains information about steps you can take to protect your information, and resources we are making available to help you.

On August 24, 2015, NorthShore Care Supply learned of a possible security incident involving its online ordering website. We immediately engaged independent IT forensic experts to assist with our investigation. While the investigation is still ongoing, it appears that your credit and debit card data may have been compromised if you made an online purchase between June 7, 2015 and August 24, 2015. The information potentially exposed includes your name, address, card number, verification code, and/or the card's expiration date.

Although we do not believe you are at risk for identity theft because the information at issue involves your credit or debit card information, we value you as a customer and have arranged to have AllClear ID protect your identity for 12 months at no cost to you. very seriously, and we have taken steps to prevent this type of event from occurring in the future. This includes rebuilding the e-commerce website on a new server and enhancing our website intrusion monitoring.

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number, that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

We recommend you remain vigilant with respect to reviewing your account statements and credit reports, and promptly report any suspicious activity or suspected identity theft to us and to the proper law enforcement authorities, including local law enforcement, your state's attorney general and/or the Federal Trade Commission ("FTC"). You may contact the FTC or your state's regulatory authority to obtain additional information about avoiding identity theft.

Federal Trade Commission, Consumer Response Center 600 Pennsylvania Avenue, NW, Washington, DC 20580, 1-877-IDTHEFT (438-4338), www.ftc.gov/idtheft

We recommend that you regularly review the explanation of benefits statement that you receive from your insurer. If you see any service that you believe you did not receive, please contact your insurer at the number on the statement. If you do not receive regular explanation of benefits statements, contact your provider and request them to send such statements following the provision of services in your name or number.

You may want to order copies of your credit reports and check for any medical bills that you do not recognize. If you find anything suspicious, call the credit reporting agency at the phone number on the report. Keep a copy of this notice for your records in case of future problems with your medical records. You may also want to request a copy of your medical records from your provider, to serve as a baseline. If you are a California resident, we suggest that you visit the web site of the California Office of Privacy Protection at www.privacy.ca.gov to find more information about your medical privacy.

Fraud Alerts: There are also two types of fraud alerts that you can place on your credit report to put your creditors on notice that you may be a victim of fraud: an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for at least 90 days. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years. You can place a fraud alert on your credit report by calling the toll-free fraud number of any of the three national credit reporting agencies listed below.

Equifax: 1-800-525-6285, www.equifax.com Experian: 1-888-397-3742, www.experian.com TransUnion: 1-800-680-7289, www.transunion.com

Credit Freezes (for Non-Massachusetts Residents): You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally \$5 to \$20 per action at each credit reporting company. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

Equifax, P.O. Box 105788, Atlanta, GA 30348, www.equifax.com Experian, P.O. Box 9554, Allen, TX 75013, www.experian.com TransUnion, LLC, P.O. Box 2000, Chester, PA, 19022-2000, www.transunion.com

You can obtain more information about fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.

Credit Freezes (for Massachusetts Residents): Massachusetts law gives you the right to place a security freeze on your consumer reports. A security freeze is designed to prevent credit, loans and services from being approved in your name without your consent. Using a security freeze, however, may delay your ability to obtain credit. You may request that a freeze be placed on your credit report by sending a request to a credit reporting agency by certified mail, overnight mail or regular stamped mail to the address below:

Equifax, P.O. Box 105788, Atlanta, GA 30348, www.equifax.com Experian, P.O. Box 9554, Allen, TX 75013, www.experian.com TransUnion, LLC, P.O. Box 2000, Chester, PA, 19022-2000, www.transunion.com

Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. The following information should be included when requesting a security freeze (documentation for you and your spouse must be submitted when freezing a spouse's credit report): full name, with middle initial and any suffixes; Social Security number; date of birth (month, day and year); current address and previous addresses for the past five (5) years; and applicable fee (if any) or incident report or complaint with a law enforcement agency or the Department of Motor Vehicles. The request should also include a copy of a government-issued identification card, such as a driver's license, state or military ID card, and a copy of a utility bill, bank or insurance statement. Each copy should be legible, display your name and current mailing address, and the date of issue (statement dates must be recent). The credit reporting company may charge a reasonable fee of up to \$5 to place a freeze or lift or remove a freeze, unless you are a victim of identity theft or the spouse of a victim of identity theft, and have submitted a valid police report relating to the identity theft to the credit reporting company.
