6. According to Hatri Hurtsi the reason why he is not being supervised while continuing the audit is due to copyright infringements? Please provide who released those copyrights to Hatri Hursti and what the process is for me to receive released copy rights as well. Who has the exclusive access to these copyrights.

7. I request any non-disclosure agreements between Hatri Hurtsi and/orNordic Innovation Labs and the State of New Hampshire and its affiliates and Diebold Premier.

8. Who prints New Hampshire's ballots? Please list whether hand counting towns (NH State Prison?) ballots are printed independently from machine ballot towns. Please also list whether absentee ballots are printed independently of walk-in ballots. Please list any and all companies that are involved in any way with processing our ballots.

9. Please provide the most current manual for the NH Accuvote Machine.

10. Please provide chain of custody logs for Windham's machines memory cards as well as the chain of custody records for the Town of Windham ballots.

11. Please provide a copy of the "exact electronic record of the data written to each memory card" used in the Town of Windham for the November 3, 2020 election per RSA 656:42 VIII. (a).

Before each election, the vendor for any electronic ballot counting device shall provide the Secretary of State with an exact electronic record of the data written to each memory card to be used in the election.

Per RSA 91-A:4 IV (c), if you deny any portion of this request, please cite the specific exemption used to justify the denial to make each record, or part thereof, available for inspection along with a brief explanation of how the exemption applies to the information withheld.

Pursuant to RSA 91.1, these records are being requested to be received within 5 business days (on or before June 18,2021) to be made available for inspection.

Thank you for your lawful attention to this matter.

Sincerely,

Kathy Carter
