Together in the Community

What does this mean for you?

Monadnock Community Hospital will keep:

- Name & Brand
- Mission & Community Spirit
- Employees
- Physicians
- Local Board

**As a member of D-HHGO,
the community will get:**

- More convenient, cost-effective care options
- More career opportunities for our employees
- Resources of an academic health system

What's Happening Now?

Due diligence – we're learning about each other's organizations and writing our formal agreement

Internal education – speaking to all our employees

External education – meeting with patients, neighbors, employers, elected officials and others

Public forums – we will hold official comment sessions this fall, after filing our agreement
