Service Area

Community may be defined as a geographic service area comprised of the locations from which most service recipients come (primary service area) or a subset of the general population that share certain characteristics such as age range, health condition, or socioeconomic resources. For some trusts, the definition of community may be a combination of geographic service area and a subset of the population within that area. Please include information from the drop down lists and narrative field as applicable to sufficiently describe the community served.

1. Did the primary service area cover ALL of New Hampshire?

Yes

Service Population Description

<Serve the general population>
