To receive funds, and use them exclusively in the State of NH for religious, charitable, scientific, testing for public safety, literary or educational purposes, including the provision of scholarships or assistance to persons in obtaining an education. The NHCF accepts gifts and bequests and devises made by will to be administered for such general or specific charitable purposes as donors request. It acts as a service agency to other charitable trusts and foundations by doing research, investigating and reporting on requests for grants and by handling other administrative details. Still a third major function of this organization is to serve as custodian of the funds of charitable agencies and to provide for professional management and supervision of investments for charitable agencies that do not have such capability. Organized as part of the NHCF are four regional divisions dedicated to building endowment and distributing funds to benefit particular areas of the state. They are: Greater Piscataqua Community Foundation (Seacoast), Northern NH Foundation, Lakes Region Charitable Foundation and Upper Valley Community Foundation.
