Re: Financial Resources Mortgage, Inc.--Claims Administrator
SB 155 – 2016 Laws Chapter 293 – RSA Chapter 359-P

Dear President Morse and Speaker Jasper:

SB 155, enacted as 2016 Laws Chapter 293 and creating new RSA Chapter 359-P, established the Financial Resources Mortgage (FRM) victims' contribution recovery fund. It became effective on August 20, 2016.

RSA 359-P:4 requires the Director of Charitable Trusts to hire a claims administrator for the Financial Resources Mortgage, Inc. Victims' Contribution Recovery Fund (FRM Fund). No funds were appropriated by the legislature for the FRM Fund and it is the claims administrator's task to solicit non-charitable donations to be paid to the victims of the FRM case. The compensation for the claims administrator is set at ten percent of the amount raised for the FRM Fund and will be paid on an annual basis.

This letter is a report of the Director's efforts to hire a claims administrator.

The Charitable Trusts Unit communicated widely to find candidates for the claims administrator position. The outreach included a request for proposals (RFP); advertisements in the New Hampshire Business Review, New Hampshire Bar Journal, New Hampshire Union Leader, Concord Monitor and LinkedIn; a dedicated telephone and email service for the FRM project; first class mail letter to all known victims; and a separate page on the Department of Justice web site dedicated to the FRM legislation.

The Honorable Chuck Morse
The Honorable Shawn N. Jasper

Page 2

The legislature appropriated no funds to cover the Charitable Trusts Unit's cost of implementation of SB 155. To date the process has cost the Charitable Trusts Unit \$8,907.80 in personnel time and expense, including \$2,702.55 in out of pocket expenses for advertising, postage, printing, and other costs that have been absorbed into the Unit's current budget.

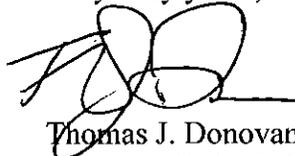

For your information I attach a copy of the RFP and the advertisement.

Ultimately we received no responses that complied with the terms of the RFP. We then contacted the only two parties who submitted resumes. One of these individuals was willing to meet to discuss the duties of the claims administrator position, and that one person later dropped out. At this point we have no one remaining who is interested in taking on the responsibility to serve as administrator.

Although we worked diligently in the implementation of SB 155, our efforts were not successful. There are a number of reasons for the limited interest in the claims administrator position. Chief among them is the lack of funding: the administrator is responsible to raise donated funds from third parties for the benefit of FRM victims. The administrator's compensation is then capped at ten percent of whatever is raised, and is payable only annually. Beyond this, the claims administrator is required to expend his or her own funds initially in establishing the claims process, purchasing office supplies, contacting victims, soliciting donations, etc., with no guarantee of reimbursement for those expenses and no guarantee of compensation for his or her work.

We would be happy to discuss this matter further with you.

Very truly yours,

Thomas J. Donovan
