Mascoma Community

We are celebrating 6 years this year!

5,505 patients are currently enrolled as of March 1, 2023.

There were **11,197 visits** by patients last year.

We provide an average of **\$100,615** in donated care every year!

We are still **accepting new patients** including **low income, employer plan, Medicare and Medicaid** patients.

We accept more than 100 insurance plans!

Still **adding 50 new patients** each month! Last year we added 622 new patients in spite of the loss of our dentist. (Working to restart Dentistry this year)

Mascoma Community Health Center Future Plans

Mascoma Community Health Center Public Listening Session

The Board of Directors of the Mascoma Community Healthcare Center invites the residents of Dorchester, Orange, Grafton, Canaan, Enfield, Lebanon, Rumney, Danbury and other neighboring towns to a Presentation on Future Plans for the Center.

Come learn how becoming a Federally Qualified Healthcare Center can strengthen Mascoma Health Center. The Board will explain what it means to be a Federally Qualified Health Center and how we have worked in the past towards this goal, and what we are currently doing to attain this important designation.

We welcome your comments and ideas.

Mascoma Healthcare Center is Your Center. Come and share your thoughts about the plan and the future of the Center

Welcome New Staff!

We're excited to announce that Rachel Hansen, APRN has joined the staff at Mascoma Community Health. Rachel started her career with us in September after graduating from Rivier University. Prior to that, she was a registered nurse for several years at Dartmouth Health.

Rachel is a member of the Canaan community along with her husband and daughter. In her free time, she enjoys coaching basketball and spending time in the woods with her family and wirehaired pointer, Griffon.

To schedule with Rachel, give us a call at (603)523-4343.

New Patients

We are happy to announce that we are accepting new primary care patients at Mascoma Community Health.

To start your care with us, please complete our new patient paperwork and return to our office at your convenience. The new patient packet can be found on the Patients Tab or feel free to swing by the office.

Mascoma Community Health Center Offers COVID-19 Testing!

**We choose to have
a quality
community clinic
that serves the five
Mascoma Towns.
Controlled by us.
Low cost.
Comprehensive.
For our community
- and by our
community.**

The Mascoma Community Health Center offers on-demand testing for COVID-19. If you are currently feeling sick and worried it might be COVID-19, please give us a call at 603-523-4343 to set up an appointment and test. We will take care of you!

Helping You Stay Safe - Telehealth at Mascoma Community Health Center

Mascoma Community Health Center can now offer you a real-time office visit in the safety of your home using your computer, smartphone, ipad or regular phone. It is just like a real office visit with only a few limitations (for example, we can't take your temperature but you can do it for us). It is called Doxy.me and is simple as pie:

1. Call 523-4343 and we will schedule an appointment just like normal;
2. We send you an email confirming the appointment that contains the Doxy.me link and an easy to understand YouTube video;
3. At the time of your appointment you click on the link and are taken to an online 'Waiting Room' until,
4. Your provider brings you into the virtual 'Exam Room' for your visit.

This is a great way we can help you with all your health concerns while at the

same time keeping everyone safe. If you are interested in checking out the technology go to <https://doxy.me/patients>

If you don't have a computer or smart-phone, and would just prefer speaking to your provider over the phone, don't worry, we can set up a Telehealth phone appointment for you just as easily.

Remember, your health is important to us and we want to be here for you during these challenging times.

Sincerely,
The Staff at Mascoma Community Health Center

Great News!

***We are now over 5,500 registered patients!
Our next goal is to reach 6,000 patients by**

December 2023! THANK YOU!

***Check out our providers on the Providers Tab!**

***Are you an employer that would like to help your employees with their health care costs? Check out a new employer plan by [clicking here](#). The advantage is an across the board 25% discount on all care.**

Mascoma Community Health Center

Comprehensive and integrated medical, dental and behavioral health care! Mascoma Community Healthcare offers quality, stability, access, and affordability for all.

“We take care of everyone. Our patients are a mix of those with insurance and those without. We happily take Medicare and Medicaid patients and are seeing many patients from the wider Upper Valley region.”

“We are looking for philanthropic support from those who value affordable health care for all.”

Mascoma Community Health

Center

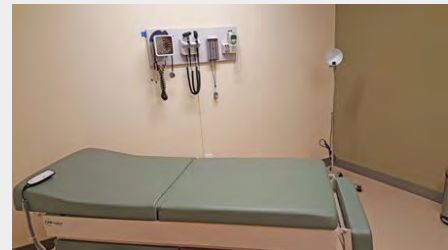

What?

A community owned and operated, non-profit health center that meets health and dental needs.

Where?

Corner of Route 4
and Roberts Road in
Canaan.

5 miles east of
Enfield and 2 miles
west of Canaan

Why?

- °Affordable Costs
- °Comprehensive Care – Health, Dental, Labs, and Education.
- °Local Control – Local accountability by Local Board of Directors
- °Easy Access – Route 4, but not high traffic
- °In-Depth Care – More time with staff and more coordination
- °Open to anyone – Families, Young, Old, Insured,

Un-insured

Can I use my insurance?

Yes. The health center will take most major policies.

Can I get insurance?

Yes. Our staff will help you to explore insurance options.
