Re: Notice of a Cyber Incident

Dear Sir/Madam:

We write on behalf of Absolute Results Productions Ltd. ("Absolute Results"), a Canadian company, and its affiliate Absolute Results Technologies USA Inc. to notify your office of a cyber incident suffered by Absolute Results and discovered on October 8, 2021. An investigation now has determined that the incident potentially impacted one New Hampshire resident, a former employee/contractor of Absolute Results Technologies.

From its investigation, Absolute Results determined that the threat actors who caused the cybersecurity incident accessed and encrypted data on the information systems of Absolute Results. They also copied some files, and that some or all of the copied files were posted on the dark web. The type of personal information potentially accessed includes names, dates of birth, addresses, driver's license numbers, passport numbers, bank account numbers, and social security numbers. Absolute Results is in the process of notifying impacted individuals - employees and contractors - by e-mail and (for US residents) by mail. The New Hampshire individual should be notified in the next 7-10 business days.
