***Re: Notification of a Data Security Incident***

Dear Attorney General MacDonald:

We represent Anchor Loans, LP (“Anchor Loans”) in connection with an incident that involved the personal information of seven (7) New Hampshire residents. Anchor Loans is reporting the incident pursuant to N.H. REV. STAT. ANN. § 359-C:20. This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to this submission. While Anchor Loans is notifying you of this incident, Anchor Loans does not waive any rights or defenses relating to the incident, this notice, or the applicability of New Hampshire law on personal jurisdiction.

**NATURE OF THE SECURITY INCIDENT OR UNAUTHORIZED USE OR ACCESS**

On February 22, 2021, Anchor Loans learned that its system was impacted by a ransomware event that encrypted certain files. Upon learning of the situation, Anchor Loans promptly investigated the incident with the help of a leading cybersecurity firm and have taken steps to help prevent any recurrence. Anchor Loans learned that some files were copied from the system in connection with the incident. Anchor Loans reviewed the contents of all files that may have been acquired. Because Anchor Loans cannot definitively rule out that the files were acquired, Anchor Loans identified all of the individuals whose personal information was contained in the files on the system. The information included name, date of birth, account number, and/or Social Security number. Anchor Loans is notifying the individuals whose personal information could have been acquired. To date, Anchor Loans has no indication that any of this information has been misused and is not currently aware of any reports of identity theft in connection with this incident.

## Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/manualRequestForm.action>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

**Fraud Alerts:** You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

**Credit and Security Freezes:** You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
