Re: Notice of Data Event Correction

Dear Sir or Madam:

We continue to represent Arthur J. Gallagher & Co. ("Gallagher") located at 2850 Golf Road, Rolling Meadows, Illinois 6008, and are writing to correct our notification to your Office regarding an incident that occurred on or about September 26, 2020. Notification to the affected Gallagher clients and individuals is ongoing and this notice will continue to be supplemented with any new significant facts learned subsequent to its submission. Gallagher's previous notification to you incorrectly identified the date range that the unknown individual accessed data contained within certain segments of the Gallagher network between July 2, 2020 and September 26, 2020. Please note, Gallagher's investigation determined the unknown individual accessed data contained within certain segments of the Gallagher network between June 3, 2020 and September 26, 2020. By providing this correction, Gallagher does not waive any rights or defenses regarding the applicability of New Hampshire law, the applicability of the New Hampshire data event notification statute, or personal jurisdiction.

Should you have any questions regarding this notification or other aspects of the data security event, please contact us at (267) 930-4637.

Very truly yours,

Gregory Lederman of
