Re: Notification of Data Security Incident

Dear Attorney General MacDonald:

I represent Automated Pet Care Products, Inc. ("AutoPets"), located in Auburn Hills, Michigan. This letter is being sent pursuant to N.H. Rev. Stat. § 359-C:20 because on June 20, 2018, AutoPets learned that the payment card information of fourteen (14) New Hampshire residents may have been involved in a data security incident.

On May 30, 2018, AutoPets learned of suspicious activity on its third-party vendor's ecommerce web platform that occurred in November, 2017. Through an independent forensic investigation, AutoPets determined that payment card information, including names, card numbers, expiration dates and security codes of customers who used its web platform to purchase products from November 9, 2017 to November 30, 2017 may have been accessed without authorization.

As soon as AutoPets learned of the incident, AutoPets reported it to the payment card brands to protect customers' payment card information and prevent fraudulent activity. AutoPets has also been in contact with the Federal Bureau of Investigation to investigate the matter and hold the perpetrators accountable.

AutoPets mailed notification letters to the affected population, including the New Hampshire residents, on July 17, 2018. As referenced in the letter, a copy of which is attached, AutoPets is providing the affected population with AllClear ID's Identity Repair services.

## STEPS YOU CAN TAKE TO FURTHER PROTECT YOUR INFORMATION

**Review Your Account Statements and Notify Law Enforcement of Suspicious Activity:** As a precautionary measure, we recommend that you remain vigilant and review your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (the “FTC”).

**Copy of Credit Report:** You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can also contact one of the following three national credit reporting agencies:

<b>Equifax</b> P.O. Box 105851 Atlanta, GA 30348 1-800-525-6285 <a href="http://www.equifax.com">www.equifax.com</a>	<b>Experian</b> P.O. Box 9532 Allen, TX 75013 1-888-397-3742 <a href="http://www.experian.com">www.experian.com</a>	<b>TransUnion</b> P.O. Box 1000 Chester, PA 19016 1-877-322-8228 <a href="http://www.transunion.com">www.transunion.com</a>	<b>Free Annual Report</b> P.O. **Fraud Alert:** You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

**Security Freeze:** In some U.S. states, you have the right to put a security freeze on your credit file. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. If you request a security freeze from a consumer reporting agency there may be a fee up to \$10 to place, lift or remove the security freeze. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

**Additional Free Resources:** You can obtain information from the consumer reporting agencies, the FTC or from your respective state Attorney General about steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state. Residents of Maryland, North Carolina, and Rhode Island can obtain more information from their Attorneys General using the contact information below.
