Re: Data Security Breach Notification

To Whom It May Concern:

I am writing on behalf of BioMarin Pharmaceutical Inc. (BioMarin), pursuant to N.H. Rev. Stat. Ann. § 359-C:20, to inform your office of a recent data security breach at BioMarin.

A phishing incident at BioMarin resulted in the attacker obtaining access to two BioMarin email mailboxes. One New Hampshire resident – a BioMarin employee – was impacted, in that at least one of the mailboxes contained a document that listed their health insurance policy number.

BioMarin provided written notice to the affected New Hampshire resident on September 25, 2018.

Should you have any questions regarding this matter or require further information from BioMarin, please do not hesitate to contact Simon Goodfellow (Associate Director, Global Compliance & Ethics) at 1-415-455-7513.

Sincerely,

A handwritten signature in blue ink, appearing to read "Meg DeGooyer".

VP, Deputy Compliance Officer
