Re: Central Hudson Gas & Electric Corporation reports a Cyber Security Incident.

To whom it may concern:

On February 27, 2013 Central Hudson Gas & Electric Corporation ("Central Hudson") reported a Cyber Security Incident to New Hampshire. Central Hudson reported that nineteen of Central Hudson's New York customers have a primary residence in New Hampshire and may have been affected by the Cyber Security Incident. After additional investigation the number of Central Hudson's New York customers with a primary residence in New Hampshire that may have been affected by the Cyber Security Incident is fifty-eight, not nineteen. Please contact the undersigned at 845-486-5831 or [pcolbert@cenhud.com](mailto:pcolbert@cenhud.com) if you have any questions.
