To Whom It May Concern:

On behalf of Citizens Financial Group, Inc. (“Citizens”), I am writing to notify the New Hampshire Department of Justice of a recent data breach involving two New Hampshire residents. Citizens recently discovered that a person employed by one of our vendors engaged in unauthorized activity involving customer deposit accounts that resulted in fraudulent electronic transfers. This incident was discovered by the bank on or about October 18, 2019. All customers have been reimbursed and a customer notification letter will be mailed to all impacted customers on November 8, 2019.

Our investigation into the incident indicates that two of the impacted customers reside in New Hampshire. All impacted customers were offered complimentary credit monitoring. A copy of the customer notification is enclosed (*See Attached Customer Letter*). This letter includes credit monitoring enrollment instructions, information on preventing identity theft, and a telephone number that customers may call to obtain further information on the incident.

In accordance with the federal bank regulatory agencies’ Interagency Guidance on Response Programs for Unauthorized Access to Customer Information and Customer Notice, Citizens has notified its four federal banking regulators.

Please contact me should your agency need any additional information.

Sincerely,

Daniel Hoye

Please also notify Citizens Bank immediately of any unauthorized use.

Box 105281, Atlanta, GA 30348-5281. Hearing impaired consumers can access the TDD service at 1-800-821-7232. For your free annual credit reports, do not contact the four nationwide consumer reporting agencies individually; they provide this service only through www.annualcreditreport.com.

WHEN YOU RECEIVE YOUR CREDIT REPORTS, REVIEW THEM CAREFULLY.

Once you receive your credit reports, review them carefully. Please look for accounts you did not open or inquiries from creditors that you did not initiate. Verify that all the information is accurate. If you have questions or notice inaccurate information, please call the relevant consumer reporting agency at the telephone number listed on the report.

PLACE A 1 YEAR FRAUD ALERT ON YOUR CREDIT FILE.

A fraud alert notifies creditors that you may be the victim of fraud and tells them to contact you before opening any new accounts. To place a fraud alert on your file, please call any one of the four nationwide consumer reporting agencies listed below. By calling one consumer reporting agency, the other four will automatically be notified. They will place a fraud alert on your credit file and will also assist you in getting a free credit report from each of the agencies. The initial fraud alert will last for 1 year. If you have already filed an identity theft report with your local police department, you should place an extended fraud alert on your credit file. This extended fraud alert is a free service and is valid for 7 years.
