Re: Update to the Dec. 30, 2020 Notice of Data Security Incident

Dear Attorney General MacDonald,

I write on behalf of my client, Dassault Falcon Jet Corp., located at 200 Riser Road, Little Ferry, NJ 07643, and its subsidiaries (collectively, "Dassault Falcon Jet"), to supplement our December 30, 2020 notice of a data security incident, in which eleven New Hampshire residents who are current or former employees of Dassault Falcon Jet and certain of its subsidiaries, or their spouses and dependents, were originally identified as affected. Dassault Falcon Jet has subsequently identified an additional eight New Hampshire residents whose personal information was affected. Notifications, the same in all respects other than the date, were mailed to such individuals on February 11, 2021.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

WILSON SONSINI GOODRICH & ROSATI  
Professional Corporation
