Re: Dent Wizard International – Incident Notification

Dear Attorney General MacDonald:

McDonald Hopkins PLC represents Dent Wizard International (“Dent Wizard”). I am writing to provide notification of an incident at Dent Wizard that may affect the security of personal information of approximately seventy-seven (77) New Hampshire residents. Dent Wizard’s investigation is ongoing, and this notification will be supplemented with any new or significant facts or findings subsequent to this submission, if any. By providing this notice, Dent Wizard does not waive any rights or defenses regarding the applicability of New Hampshire law or personal jurisdiction.

Dent Wizard learned that an unauthorized party may have obtained access to a limited number of Dent Wizard employees’ email accounts as a result of an email phishing incident. Upon learning of the issue, Dent Wizard secured the accounts and commenced a prompt and thorough investigation. As part of its investigation, Dent Wizard has worked very closely with external cybersecurity professionals who regularly investigate and analyze these types of situations to analyze the extent of any compromise of the email accounts and the security of the emails and attachments contained within them. Dent Wizard devoted considerable time and effort to determine what information was contained in the affected email accounts. Based on its extensive forensic investigation and manual email review, Dent Wizard determined on July 22, 2020 that the impacted email accounts that were accessed on or around January 22, 2020 to February 4, 2020, contained a limited amount of personal information, including the affected residents’ full names and one (1) or more of the following: Social Security number and driver’s license number.

Dent Wizard has no indication that any information has been misused. Nevertheless, out of an abundance of caution, Dent Wizard wanted to inform you (and the affected residents) of the incident and to explain the steps that it is taking to help safeguard the impacted residents against identity fraud. Dent Wizard is providing the affected residents with written notification of this incident commencing on or about August 10, 2020 in substantially the same form as the letter attached hereto. Dent Wizard is providing residents with Social Security numbers included

A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax

3. Consider Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a "Security Freeze" be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by sending a request in writing or by mail, to all three nationwide credit reporting companies. To find out more about how to place a security freeze, you can use the following contact information:

Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348 https://www.freeze.equifax.com 1-800-685-1111	Experian Freeze P.O. Box 9554 Allen, TX 75013 http://experian.com/freeze 1-888-397-3742	Security	TransUnion Security Freeze P.O. Box 2000 Chester, PA 19016 http://www.transunion.com/securityfreeze 1-888-909-8872
---	---	-----------------	--

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit monitoring company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

If this notice letter states that your bank account information and/or credit or debit card information was impacted, we recommend that you contact your financial institution to inquire about steps to take to protect your account, including whether you should close your account or obtain a new account number.
