RE: Security Incident Notification

To Whom It May Concern:

I serve as counsel for Eastwood Holdco, LLC. ("Eastwood") and provide this notification to you of a recent data security incident. By providing this notice, Eastwood does not waive any rights or defenses under New Hampshire law, including the data breach notification statute.

On June 17, 2021, Eastwood became aware of a computer network disruption that limited their ability to access certain systems. Eastwood immediately began working with I.T. staff and third-party computer specialists to conduct an investigation to determine how this incident occurred. While the investigation remains ongoing, Eastwood has discovered that limited data may have been subject to unauthorized access.

Although, due to the ongoing investigation, Eastwood is unable to confirm the specific information that may be affected at this time, it is Eastwood's understanding that current and former employee information may have been impacted based on the investigation performed to date. The type of information believed to be impacted includes individuals' names and Social Security numbers. While Eastwood's investigation remains ongoing, Eastwood is providing notification to current and former employees whose information was potentially at risk out of an abundance of caution. Eastwood performed an internal review to identify the scope of potentially impacted employees and to obtain sufficient contact information to provide notice. This review was completed on June 25, 2021 and identified one (1) resident of New Hampshire.

Eastwood is notifying the affected individual on July 14, 2021 and providing one (1) year of complimentary credit monitoring and identity protection services. Written notice is being provided in substantially the same form as the letter attached in *Exhibit A*. Eastwood is also reviewing its policies and procedures related to data security. Should Eastwood identify that

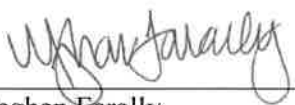

additional New Hampshire residents were impacted as a result of this incident, Eastwood will provide supplemental notification.

Please contact me should you have any questions.

Very truly yours,

CIPRIANI & WERNER, P.C.

TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You have been provided with access to the following services from Kroll:

Single Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

ADDITIONAL ACTIONS TO HELP PROTECT YOUR INFORMATION

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

You have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent

request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver's license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:

Additional Information

You can further educate yourself regarding identity theft, fraud alerts, credit freezes, and the steps you can take to protect your personal information by contacting the credit reporting bureaus, the Federal Trade Commission (FTC), or your state Attorney General. The FTC also encourages those who discover that their information has been misused to file a complaint with them. The FTC may be reached at 600 Pennsylvania Ave. NW, Washington, D.C. 20580; www.identitytheft.gov; 1-877-ID-THEFT (1-877-438-4338); and TTY: 1-866-653-4261. You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement, your state Attorney General, and the FTC. This notice has not been delayed by law enforcement.
