Re: Security Breach Notification

Dear Attorney General Foster:

This letter is to supplement the prior correspondence sent to your office on August 8, 2016. As a result of our continuing investigation of this matter, we have identified that an additional 187 individuals, including 1 resident of the state of New Hampshire (a customer of EBSCO Industries, Inc.'s Stand Up Desk Store), were affected by this incident. As a result, we have provided written notice to these additional people and extended to them the same offer of credit monitoring services that was provided in the prior notice letters. In addition, we determined that the malware operated from July 3rd to July 22nd. All other information reported in my prior correspondence remains correct.

If you have any questions, please do not hesitate to contact me at lashburner@ebSCO.com or (205) 995-1500.

Sincerely,

Laura Catherine Ashburner
Associate Counsel
EBSCO Industries, Inc.
