Re: Notification of Data Security Incident
Our File No: 1211713

To Whom It May Concern:

As you are aware, this firm represents the interests of Healthcare Fiscal Management, Inc. (“HFMI”) in connection with the above-referenced matter. Please allow this to serve as a supplement to the notifications of data security incident previously filed by HFMI on June 26, 2020 and July 21, 2020. HFMI is providing this supplemental notification of data security incident to you on behalf of Archbold Memorial Hospital, Grady General Hospital, Brooks County Hospital, and Mitchell County Hospital, located in Georgia (collectively “Archbold”).

In connection with the data security incident referenced in the original notification, HFMI has provided notification to potentially impacted individuals on behalf of Archbold, including two (2) New Hampshire residents, *via* written and substitute notice. A sample copy of the notification to the New Hampshire residents is attached. As noted in the attachment, HFMI has included in the notification an offer to provide twelve months of one-bureau credit monitoring services to the affected New Hampshire residents. HFMI has also provided notification of this data security incident to the Department of Health and Human Services/Office of Civil Rights on Archbold’s behalf in accordance with HIPAA.

Should you have any questions or require additional information, please do not hesitate to contact me.

Best regards,
