Re: Incident Notification Follow Up

Dear Attorney General Foster:

In our letter to you on August 31, 2016 we informed you that our client, Kimpton Hotels & Restaurants, would be providing substitute notification of a payment card incident to New Hampshire residents who used their payment cards at certain restaurants and hotel front desks between February 16, 2016 and July 7, 2016. We further indicated that Kimpton was working to identify the mailing address of certain New Hampshire residents who used their payment cards at the front desk of an affected hotel so that Kimpton could mail notification letters to those individuals in accordance with *N.H. Rev. Stat. Ann. §359-C:20*. Kimpton has identified 689 such residents of New Hampshire and notification letters were mailed to those individuals beginning on September 9, 2016, in substantially the same form as the attached.

Please do not hesitate to contact me if you have any questions regarding this matter.
