**Re: Security Breach Notification**

Dear Sir or Madam,

We are writing on behalf of our client, Medical Review Institute of America ("MRIOA") and some of its health provider and other customers. After further review of the impacted population, MRIOA believes the correct number of New Hampshire residents is 459. We apologize for the confusion. Further, we do not expect to have any more supplemental updates.<sup>1</sup>

If you have any questions or wish to discuss this event further, please do not hesitate to call me at 410-917-5189 or email me at [spollock@mcdonaldhopkins.com](mailto:spollock@mcdonaldhopkins.com).

Sincerely Yours,

Spencer S. Pollock, Esq., CIPP/US, CIPM
