Dear Attorney General MacDonald:

We represent Moss Adams LLP, located in Seattle, Washington. On February 10, 2020, Moss Adams completed a data review project and identified that four (4) New Hampshire residents should also be notified in addition to those residents identified in its initial notification efforts. Moss Adams notified these additional residents by mail on February 24, 2020.

Re: Notice of Data Security Incident

Dear <<Name 1>>,

We are writing to inform you of a data security incident experienced by Moss Adams LLP that may have affected your personal information.¹ As explained below, we recently learned that an unauthorized individual gained access to a Moss Adams employee email account containing your personal information. We are writing to notify you of this incident, to offer you complimentary credit monitoring and identity protection services, and to inform you about steps that can be taken to help protect your personal information.

What Happened? On October 10, 2019, we detected unusual activity associated with a single Moss Adams employee’s email account. We immediately took steps to secure the account and launched an investigation. Our investigation subsequently determined that the impacted Moss Adams email account was accessed by an unauthorized third party and this account contained some of your personal information, although we do not know if your personal information in the email account was actually accessed by the third party. Please note that this unauthorized access was limited to information transmitted via email and did not affect any other information systems.

What Information Was Involved? The following information was contained within the accessed email account: your name and Social Security number.

What We Are Doing. As soon as we discovered this incident, we took the measures referenced above. Additionally, out of an abundance of caution, we are offering you a one-year membership to TransUnion Interactive’s *myTrueIdentity* credit monitoring and identity restoration service at no cost to you. This product provides you with premier credit monitoring and identity theft resolution, including up to \$1 million of identity theft insurance coverage. To receive these services, you must be over the age of 18, have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file. The deadline to enroll is <<Enrollment Deadline>>.

What You Can Do. You can follow the recommendations included with this letter to help protect your information. Specifically, we recommend that you review your credit report for unusual activity. If you see anything that you do not understand or that looks suspicious, you should contact the consumer reporting agencies for assistance using the contact information included with this letter. In addition, you can enroll in the free credit monitoring services that we are offering to you through TransUnion Interactive. Enrollment instructions are included with this letter.

For More Information. Further information about how to protect your personal information is included with this letter. If you have questions or need assistance, please contact 833-935-1381, Monday through Friday, 9am – 9pm ET. Please accept our sincere apologies and know that we deeply regret any worry or inconvenience that this may cause you.

Steps You Can Take to Further Protect Your Information

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity

As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print this form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>. You also can contact one of the following three national credit reporting agencies:

TransUnion P.O. Box 1000 Chester, PA 19016 1-877-322-8228 www.transunion.com	Experian P.O. Box 9532 Allen, TX 75013 1-888-397-3742 www.experian.com	Equifax P.O. Box 105851 Atlanta, GA 30348 1-800-525-6285 www.equifax.com	Free Annual Report P.O. Box 105281 Atlanta, GA 30348 1-877-322-8228 annualcreditreport.com

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

Security Freeze: You have the right to put a security freeze on your credit file. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. There is no charge to place, lift, or remove the security freeze. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement, or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC, or from your respective state Attorney General about steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state. Residents of Maryland, North Carolina, Oregon, New York, and Rhode Island can obtain more information from their Attorneys General using the contact information below.
