Dear Attorney General MacDonald:

McDonald Hopkins PLC represents nbkc bank. I am writing to provide notification of an incident at nbkc bank that may affect the security of personal information of approximately seven New Hampshire residents. nbkc bank's investigation is ongoing, and this notification will be supplemented with any new or significant facts or findings subsequent to this submission, if any. By providing this notice, nbkc bank does not waive any rights or defenses regarding the applicability of New Hampshire law or personal jurisdiction.

nbkc bank recently learned that an unauthorized individual may have obtained access to a limited number of nbkc bank employee email accounts between May 24, 2019 and August 11, 2019. nbkc bank immediately launched an investigation in consultation with outside cybersecurity professionals who regularly investigate and analyze these types of situations to analyze the extent of any compromise of the email accounts and the security of the emails and attachments contained within them. The information included the affected residents' full names and Social Security numbers.

To date, nbkc bank is not aware of any reports of identity fraud or improper use of any of the affected residents' information as a direct result of this incident. Nevertheless, out of an abundance of caution, nbkc bank wanted to inform you (and the affected residents) of the incident and to explain the steps that it is taking to help safeguard the affected residents against identity fraud. nbkc bank will provide the affected residents with written notification of this incident commencing on or about January 17, 2020 in substantially the same form as the letter attached hereto. nbkc bank will offer the affected residents complimentary one-year memberships with a credit monitoring service. nbkc bank will advise the affected residents about the process for placing fraud alerts and/or security freezes on their credit files and obtaining free

To enroll in this service, go to the myTrueIdentity website at [REDACTED] and in the space referenced as "Enter Activation Code", enter the following 12-letter Activation Code [REDACTED] and follow the three steps to receive your credit monitoring service online within minutes.

You can sign up for the online credit monitoring service anytime between now and [REDACTED]. Due to privacy laws, we cannot register you directly. Please note that credit monitoring service might not be available for individuals who do not have a credit file with TransUnion, or an address in the United States (or its territories) and a valid Social Security number. Once you are enrolled, you will be able to obtain one year of unlimited access to your TransUnion credit report and credit score. The daily credit monitoring service will notify you if there are any critical changes to your credit file at TransUnion, including fraud alerts, new inquiries, new accounts, new public records, late payments, change of address and more. The service also includes access to an identity restoration program that provides assistance in the event your identity is compromised to help you restore your identity and up to \$1,000,000 in identity theft insurance with no deductible. (Policy limitations and exclusions may apply.)

If you believe you may be a victim of identity theft, please call the toll-free TransUnion Fraud Response Services hotline at [REDACTED]. When prompted, enter the following 6-digit telephone pass code [REDACTED] to speak to a TransUnion representative about your identity theft issue.

2. Placing a Fraud Alert on Your Credit File.

Whether or not you choose to use the complimentary 12 month credit monitoring services, we recommend that you place an initial one-year "Fraud Alert" on your credit files, at no charge. A fraud alert tells creditors to contact you personally before they open any new accounts. To place a fraud alert, call any one of the three major credit bureaus at the numbers listed below. As soon as one credit bureau confirms your fraud alert, they will notify the others.

Equifax
P.O. Box 105069
Atlanta, GA 30348
www.equifax.com
1-800-525-6285

Experian
P.O. Box 2002
Allen, TX 75013

TransUnion LLC
P.O. Box 2000
Chester, PA 19016
www.transunion.com
1-800-680-7289

3. Consider Placing a Security Freeze on Your Credit File.

If you are very concerned about becoming a victim of fraud or identity theft, you may request a "Security Freeze" be placed on your credit file, at no charge. A security freeze prohibits, with certain specific exceptions, the consumer reporting agencies from releasing your credit report or any information from it without your express authorization. You may place a security freeze on your credit report by contacting all three nationwide credit reporting companies at the numbers below and following the stated directions or by sending a request in writing, by mail, to all three credit reporting companies:

Equifax Security Freeze
P.O. Box 105788
Atlanta, GA 30348
<https://www.freeze.equifax.com>
1-800-349-9960

Experian Security Freeze
P.O. Box 9554
Allen, TX 75013
<http://experian.com/freeze>
1-888-397-3742

TransUnion Security Freeze
P.O. Box 2000
Chester, PA 19016
<http://www.transunion.com/securityfreeze>
1-888-909-8872

In order to place the security freeze, you'll need to supply your name, address, date of birth, Social Security number and other personal information. After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name or to commit fraud or other crimes against you, you may file a police report in the City in which you currently reside.

If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

4. Obtaining a Free Credit Report.

Under federal law, you are entitled to one free credit report every 12 months from each of the above three major nationwide credit reporting companies. Call **1-877-322-8228** or request your free credit reports online at **www.annualcreditreport.com**. Once you receive your credit reports, review them for discrepancies. Identify any accounts you did not open or inquiries from creditors that you did not authorize. Verify all information is correct. If you have questions or notice incorrect information, contact the credit reporting company.

5. Additional Helpful Resources.

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them on the web at www.ftc.gov/idtheft, by phone at 1-877-IDTHEFT (1-877-438-4338), or by mail at Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580. Your complaint will be added to the FTC's Identity Theft Data Clearinghouse, where it will be accessible to law enforcement for their investigations. In addition, you may obtain information from the FTC about fraud alerts and security freezes.

If this notice letter states that your financial account information and/or credit or debit card information was impacted, we recommend that you contact your financial institution(s) to inquire about steps to take to protect your account(s), including whether you should close your account(s) or obtain a new account number(s).
