Re: Security Breach Notification Affecting 10 New Hampshire Residents

Dear Attorney General Foster:

Pursuant to New Hampshire Rev. Stat Ann. § 359-C:20, we are sending this letter to notify you of a potential security breach.

Recently, we learned that an individual placed at New York Life by a temporary employment agency used a fake identity to hide a criminal background. The individual worked at New York Life for the month of December 2016. After we discovered the individual's true identity we terminated her and notified law enforcement. While temporarily employed at New York Life, this individual had access to personal information, including the name, Social Security Number, date of birth, and address of 10 New Hampshire residents. We have not discovered any evidence that this individual stole or misused anyone's personal information.

In response to this incident, we notified all effected individuals on January 30th and offered 1 year of credit monitoring from Equifax Credit Watch Gold Service.

Please feel free to call me at (212) 576-4644 if you have any questions or require additional information.

Sincerely,

Linda Beebe
