Re: Incident Notification

Dear Attorney General MacDonald:

We are writing on behalf of our client, North America Administrators, L.P. ("NAA") to notify you of an incident involving 2 New Hampshire residents.

NAA provides claims processing and related services to group health plans. On March 30, 2018, NAA completed its investigation of a suspected phishing incident with the assistance of a leading cyber security firm. Through its investigation, NAA determined that an unauthorized individual may have accessed certain emails and attachments in a small number of NAA employees' email accounts between the dates of January 7, 2018 and January 24, 2018 through a phishing email scheme. While the investigation could not determine if the attachments to the emails had been opened by the unauthorized person, that possibility could not be ruled out. The investigation further determined that emails and attachments in the employees' email accounts may have contained information about group health plan members, including names, Social Security numbers, medical information, and/or health insurance information.

On April 19, 2018, NAA provided written notification to the group health plans whose members may have been affected by this incident, including to Milan Supply Chain Solutions, which provided member information to NAA in connection with a bid for claims processing work. In this written notification, NAA offered to provide notice to the potentially affected members and regulatory agencies on their behalf.

Beginning on May 11, 2018, NAA is notifying potentially affected members whose group health plans had responded affirmatively to NAA's offer, including to 2 New Hampshire residents who are members of Milan Supply Chain Solutions, and whose names, Social Security numbers, medical information, and/or health insurance information contained in emails and attachments within the employees' email accounts that may have been accessed by an unknown individual. Notice to these potentially affected members is being provided in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) (45 C.F.R. § 164.404) and N.H. Rev. Stat. §§ 359-C:20, in substantially the same form as the sample notice letter attached hereto.¹

NAA is offering the potentially affected members whose Social Security numbers were contained in emails and attachments within the employees' email accounts that may have been accessed by an unknown individual with a complimentary one-year memberships in credit monitoring and identity theft protection services from Kroll. NAA has also provided a telephone number for potentially affected members to call with any questions they may have. NAA provided notice to the potentially affected members as soon as possible and without unreasonable delay after NAA received affirmative responses from the members' group health plans to NAA's offer to send notifications to the members.

NAA has taken various steps to enhance its existing network and email security, including implementing multi-factor authentication and upgrading its security center, as well as providing education and training to its employees to help prevent a similar incident from happening in the future.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

Eric A. Packel

Dear <<MemberFirstName>> <<MemberLastName>>,

North America Administrators, LP (“NAA”) processes claims for Group Health Plans and understands the importance of protecting the information it maintains. Regrettably, this letter is to inform you of a recent incident that may have involved your personal information, which was provided to NAA in connection with a bid for claims processing work submitted by <<ClientDef1 (Lucent Client)>>. This notice describes the incident, outlines the measures we have taken in response, and advises you on steps you can take to further protect your information.

NAA is a third party administrator hired by companies to provide benefits administration. To accomplish this function, our clients, medical providers and others provide us with data about Plan participants, including certain types of personal and medical information. On March 30, NAA learned through a forensic investigation of a phishing email incident that certain emails and attachments had been accessed by an unauthorized person. Upon first learning of the phishing incident, NAA took immediate steps to secure the account, conduct an internal investigation, and enhance the security of its system. NAA also engaged a leading cyber security firm to perform an investigation. That investigation determined that an unauthorized individual accessed certain emails and attachments in a small number of NAA employees’ email accounts. While the investigation could not determine if the attachments to the emails had been opened by the unauthorized person that possibility could not be ruled out. The emails and attachments contained your name and personal data, including <<ClientDef2 (variable elements.)>>

We encourage you to remain vigilant by reviewing your account statements for any unauthorized activity. You should also review the additional information on the following pages on ways to protect yourself. We have arranged for Kroll to provide identity monitoring at no cost to you for one year. Kroll is a global leader in risk mitigation and response, and their team has extensive experience helping people who have sustained an unintentional exposure of confidential data. NAA regrets that this incident occurred. In addition to providing you notice of the incident, NAA has taken various steps to enhance its existing network and email security, including implementing multi-factor authentication and upgrading its security center, as well as providing education and training to its employees to help prevent a similar incident from happening in the future.

If you have questions about this matter or the recommended next steps, please call 1-833-219-9090, Monday through Friday between 9 a.m. – 6 p.m., Eastern Time.

Sincerely,

TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You've been provided with access to the following services¹ from Kroll:

Triple Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data at any of the three national credit bureaus—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who can help you determine if it's an indicator of identity theft.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator can dig deep to uncover the scope of the identity theft, and then work to resolve it.

¹ Kroll's activation website is only compatible with the current version or one version earlier of Internet Explorer, Chrome, Firefox, and Safari. To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

MORE INFORMATION ON WAYS TO PROTECT YOURSELF

Even if you choose not to take advantage of this complimentary credit monitoring service, we remind you to remain vigilant for incidents of fraud or identity theft by reviewing your account statements and free credit reports for any unauthorized activity. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting companies. To order your annual free credit report, please visit www.annualcreditreport.com or call toll free at 1-877-322-8228. Contact information for the three nationwide credit reporting companies is as follows:

Experian, PO Box 2002, Allen, TX 75013, www.experian.com, 1-888-397-3742
