Re: Notice of Data Security Incident

Dear Attorney General MacDonald:

We represent Offit Kurman, a full-service law firm with offices in eight states and the District of Columbia. This letter is being sent pursuant to N.H. Rev. Stat. §§ 359-C:19 - C:21, because the personal information of five (5) New Hampshire residents may have been affected by a recent data security incident. The incident may have included unauthorized access to personal information such as names and Social Security numbers, dates of birth, or driver's license numbers.

On December 8, 2020, Offit Kurman detected unusual activity within its digital environment. Upon discovering this activity, Offit Kurman immediately engaged a team of cybersecurity experts to secure the digital environment and conduct an investigation to determine whether any personal information may have been impacted. As a result of that investigation, Offit Kurman determined on June 10, 2021, that personal information of a limited number of individuals may have been accessed or acquired by an unauthorized user.

On August 3, 2021, Offit Kurman notified the affected New Hampshire residents via the attached sample letter and is offering twelve (12) months of credit monitoring and identity protection services through IDX. Offit Kurman has also taken measures to enhance the security of its network to minimize the likelihood that an event like this might occur again in the future.

Please contact me at [REDACTED] should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Brian Craig'.

STEPS YOU CAN TAKE TO FURTHER PROTECT YOUR INFORMATION

Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print this form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>. You also can contact one of the following three national credit reporting agencies:

TransUnion P.O. Box 1000 Chester, PA 19016 1-800-916-8800 www.transunion.com	Experian P.O. Box 9701 Allen, TX 75013 1-888-397-3742 www.experian.com	Equifax P.O. Box 740241 Atlanta, GA 30348 866-349-5191 www.equifax.com	Free Annual Report P.O. Box 105281 Atlanta, GA 30348 1-877-322-8228 annualcreditreport.com

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

Security Freeze: Under U.S. law, you have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC at **Federal Trade Commission**, 600 Pennsylvania Ave, NW, Washington, D.C. 20580, or online at consumer.ftc.gov and www.ftc.gov/idtheft, or to the Attorney General in your state. Residents of New York, Maryland, North Carolina, and Rhode Island can obtain more information from their Attorneys General using the contact information below.

You also have certain rights under the Fair Credit Reporting Act (FCRA): These rights include to know what is in your file; to dispute incomplete or inaccurate information; to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information, as well as others. For more information about the FCRA, and your rights pursuant to the FCRA, please visit http://files.consumerfinance.gov/f/201504_cfpb_summary_your-rights-under-fcra.pdf.

Review your Tax Filings: If you detect any suspicious activity relating to your tax filings, we encourage you to complete IRS Form 14039, Identity Theft Affidavit, which you can obtain at <http://www.irs.gov/pub/irs-pdf/f14039.pdf>. If you have other identity theft / tax related issues, contact the IRS Identity Protection Specialized Unit at 1-800-908-4490. You should be especially aware of any requests, calls, emails, letters, or other questions about your financial accounts or from individuals purporting to be from the IRS or other entities from whom you would not be expecting contact. If you receive any type of unexpected request for personal information, you should not provide that information and instead contact the organization by phone to verify the request is legitimate
