Dear Attorney General Foster:

We represent Oak Associates Funds ("Oak"), 101 Federal Street, Boston, Massachusetts 02110, and are writing pursuant to N.H. Rev. Stat. § 359-C-20(I)(b), to notify you of a data security incident that may affect approximately 3 New Hampshire residents.

**Nature of the security breach:**

The incident involved the theft of an electronic device which contained a data file containing certain Oak client records. Oak believes the electronic device was stolen for the value of the hardware rather than the data and has no evidence at this time that client personal data has been misused as a result of this incident. The information on this electronic device may have contained names, addresses, email addresses, phone numbers, Social Security numbers, and certain account information including numbers, shares, balances, set-up dates, and contact instructions.

**Notice to residents affected:**

Oak will provide written notice of this incident to New Hampshire residents on or about March 6, 2014, in substantially the same form as the letter attached hereto as Exhibit A.

**Other steps taken relating to the incident:**

Oak has taken steps which include conducting a thorough review of the potentially affected records, and intends to notify its clients of any significant developments. Oak reviewed internal controls within its organization and made changes to existing policies and procedures designed to prevent a recurrence of such an incident, and to protect the privacy of Oak clients. The company alerted and is cooperating with law enforcement to ensure the incident is properly addressed. In addition, Oak retained Experian, a specialist in identity theft protection, to provide affected clients free of charge with one full year of Experian's ProtectMyID<sup>®</sup> Alert service.

### REGISTRATION ADDRESS

Dear Shareholder:

We are contacting you as a precautionary measure because we have learned of a data security incident that occurred between January 23<sup>rd</sup> and 27<sup>th</sup> of this year that involves your personal information.

The incident involved the theft of an electronic device which contained a data file containing certain Oak Associates Funds records. We believe the electronic device was stolen for the value of the hardware rather than the data and we have no evidence at this time that your personal data has been misused as a result of this incident. The information on this electronic device may have contained names, addresses, email addresses, phone numbers, Social Security numbers, and certain account information including numbers, shares, balances, set-up dates, and contact instructions.

The Oak Associates Funds value your privacy and deeply regret that this incident occurred. We are conducting a thorough review of the potentially affected records, and will notify you if there are any significant developments. We have reviewed internal controls and made changes to existing policies and procedures designed to prevent a recurrence of such an incident, and to protect the privacy of the Oak Associates Funds' valued clients. We also alerted and are cooperating with law enforcement to ensure the incident is properly addressed (although notice to you was not delayed as a result of a law enforcement investigation).

We are notifying you so you can take action along with our efforts to minimize or eliminate potential harm. Because of this incident, we strongly encourage you to take preventive measures now to help prevent and detect any misuse of your information. To help protect you we have retained Experian, a specialist in identity theft protection, to provide you free of charge with one full year of Experian's ProtectMyID<sup>®</sup> Alert. This product may help detect possible misuse of your personal information and provides you with an identity protection customer support team focused on identification and resolution of identity theft. You can enroll in the program by visiting the Experian ProtectMyID website at [www.protectmyid.com/redeem](http://www.protectmyid.com/redeem) or by calling 877-371-7902. A credit card is not required for enrollment.

- Your ACTIVATION CODE is \_\_\_\_\_

**Please keep this letter; you will need the personal activation code above in order to register for services. To take advantage of this offer, you must enroll by May 31, 2014.**

We recommend that you remain vigilant by reviewing your financial account statements and all credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained and report any irregularities. In addition, you may contact law enforcement, your state attorney general, and/or the Federal Trade Commission ("FTC") to report any fraudulent activity or any suspected incidence of identity theft. To learn more, you can go to the FTC's website, at [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft), or call the FTC, at (877) ID-THEFT (438-4338), or write to Federal Trade Commission, Consumer Response Center, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

You may also contact the three major credit reporting agencies to obtain copies of your credit reports:

<ul style="list-style-type: none"><li>• Equifax (800) 685-1111 <a href="http://www.equifax.com">www.equifax.com</a> P.O. Box 740241 Atlanta, GA 30374</li></ul>	<ul style="list-style-type: none"><li>• Experian (888) 397-3742 <a href="http://www.experian.com">www.experian.com</a> P.O. Box 9532 Allen, TX 75013</li></ul>	<ul style="list-style-type: none"><li>• TransUnion (800) 916-8800 <a href="http://www.transunion.com">www.transunion.com</a> P.O. Box 6790 Fullerton, CA 92834</li></ul>
---	--	--

You can elect to purchase a copy of your credit report through these agencies or you may obtain copy of your credit report for free from each of these agencies once every 12 months by:

- Visiting <http://www.annualcreditreport.com>;
- Calling toll-free 877-322-8228; or,
- Completing an Annual Credit Report Request Form and mailing it to:  
Annual Credit Report Request Service  
P.O. Box 105281  
Atlanta, GA 30348.

You can print a copy of the request form at  
<https://www.annualcreditreport.com/cra/requestformfinal.pdf>.

In addition, you may obtain information from the FTC and the credit reporting agencies about fraud alerts. You can add a fraud alert to your credit report file to help protect your credit information. You may place a fraud alert in your file by calling just one of the three nationwide credit reporting agencies listed above. As soon as that agency processes your fraud alert, it will notify the other two agencies, which then must also place fraud alerts in your file. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name.

To protect yourself from the possibility of identity theft, the laws of some states allow you to place a security freeze on your credit files. A security freeze is a tool which prevents new creditors from viewing a credit report or score. A freeze will not stop or fix ongoing identity theft and is not a guarantee of safety, but it will help stop thieves from opening new accounts. You will need to contact the three U.S. credit reporting agencies to place the security freeze. Please be aware that while a freeze does not affect your credit score, when you place the freeze, you will not be able to borrow money, obtain instant credit, or get a new credit card until you temporarily lift or permanently remove the freeze.

We sincerely apologize that this situation has occurred. For further information and assistance in connection with this incident, we have arranged this special toll-free number, 1-855-648-2888, for you to call Monday through Friday between 9:00 a.m. and 6:00 p.m. Eastern Time.

Thank you for your continued confidence and trust.

Sincerely,

Sandra H. Noll
