**Re: Notification of a Computer Security Incident Involving Personal Information Pursuant to N.H. Rev. Stat. § 359-C:20**

Dear Attorney General MacDonald:

We represent Otoe-Missouria Development Authority (“OMDA”), in connection with an incident that may have affected the personal information of a New Hampshire resident, and provide this notice on behalf of OMDA pursuant to N.H. Rev. Stat. § 359-C:20(I)(b). We will supplement this notice, if necessary, with any new significant facts discovered subsequent to its submission. While OMDA is notifying you of this incident, OMDA does not waive any rights or defenses relating to the incident or this notice, or the applicability of New Hampshire law on personal jurisdiction.

**NATURE OF THE INCIDENT**

OMDA determined that, between June 15, 2020 and September 9, 2020, an unauthorized third party gained access to three OMDA employees’ email accounts. Although OMDA is unaware of any misuse or fraud resulting from the incident, OMDA conducted an extensive review of the involved email accounts to identify the personal information contained therein. OMDA’s internal review concluded the accounts contained certain individuals’ personal information. OMDA determined the incident potentially affected a New Hampshire resident’s name and Social Security number. OMDA then worked to locate the potentially affected individual and provided notice of the incident to the individual in a timely manner.

**What Happened?** We recently learned that between June 15, 2020 and September 9, 2020, an unauthorized third party gained access to certain OMDA employees’ email accounts. We also communicated with law enforcement about the incident. This process was recently completed and we determined the involved accounts contained your [REDACTED].

**What We Are Doing?** Upon learning of the incident, we promptly secured the email accounts to prevent further access. We also engaged a leading forensic security firm to investigate and confirm the security of our email and computer systems. In addition, we have taken steps to reduce the risk of this type of incident occurring in the future, including enhancing our technical security measures.

**What You Can Do?** As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. We also encourage you to activate the credit monitoring services we are providing to you.

**Other Important Information:** You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. **Fraud Alerts:** You may want to consider placing a fraud alert on your credit report. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com](http://www.annualcreditreport.com).

**Credit and Security Freezes:** You may have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
