Re: Incident Notification

Dear Attorney General Joseph Foster:

On August 10, 2016, Rebecca Minkoff learned that there may have been unauthorized access to its website. Upon discovery of the incident, Rebecca Minkoff hired an outside forensic expert to determine whether the incident resulted in the unauthorized access to any personal information.

Based on our investigation to date, we believe there may have been access to the following information: name, website username and password, and payment card data including payment card account number, card expiration date and security code. The website did not contain any Social Security numbers.

As a precaution, on September 9, 2016, Rebecca Minkoff will formally notify via U.S. mail or other authorized delivery method those individuals who may have been affected by the incident.

Rebecca Minkoff is notifying the twenty four (24) New Hampshire residents who may have been affected by the incident, in substantially the same form as the letter attached hereto.

Please do not hesitate to contact me at 310-579-9615 if you have any questions regarding this matter.

Sincerely,

Tanya L. Forshett
