Re: Rebecca Minkoff LLC // Supplement to Incident Notification

Dear Attorney General Joseph Foster:

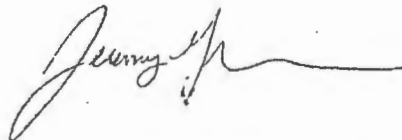

On September 9, 2016, we notified you of a security incident that may have affected New Hampshire residents who transacted with the website of Rebecca Minkoff LLC ("RM"). This letter should serve as a supplement to that notification.

Since notifying you, RM has continued to work with an outside forensic expert to investigate the incident. As part of that ongoing investigation, on October 7, RM discovered that the incident may have affected additional New Hampshire residents who were not included in RM's initial notification to consumers sent on September 9, 2016. As with our initial notification, the following information was potentially compromised as part of the incident: name, website username and password, and payment card data including payment card account number, card expiration date and security code. The website did not contain any Social Security numbers.

As a precaution, on or about November 7, 2016, RM will formally notify via U.S. mail or other authorized delivery method an additional 60 New Hampshire residents using substantially the same form as the letter attached hereto.

Please do not hesitate to contact me at 310-579-9615 if you have any questions regarding this matter.

Sincerely,

Jeremy S. Goldman
