RE: Security Incident Notification

To Whom It May Concern:

We serve as counsel for SandRidge Energy, Inc. ("SandRidge Energy") and provide this notification to you of a recent data security incident. By providing this notice, SandRidge Energy does not waive any rights or defenses under New Hampshire law, including the data breach notification statute.

On October 25, 2021, SandRidge Energy experienced a network disruption that impacted certain systems. Upon discovery, SandRidge Energy took immediate action to isolate its systems and address and investigate the incident, which included engaging third-party specialists to assist with determining the nature and scope of the incident. The investigation determined that certain information maintained on the network was accessed by an unauthorized party. As a result, SandRidge Energy launched a thorough review to determine the type of information contained in the files, identify potentially affected parties and obtain up-to-date address information for individual notification. This intensive review was completed on March 17, 2022 and it was learned that one (1) resident of New Hampshire were impacted as a result of this incident. The information at risk includes the individual's name and Social Security number.

SandRidge Energy is providing written notice of this incident to the New Hampshire resident on March 31, 2022 pursuant to New Hampshire law. The notice letter includes an offer of complimentary credit monitoring and identity protection services offered through Equifax for 12 months. A copy of the notice letter is attached hereto.

Please contact me should you have any questions.

Very truly yours,

CIPRIANI & WERNER, P.C.

Dear <<Name 1>>:

We are writing to inform you of a data security incident experienced by our company that may have involved your information as described below. We take the privacy and security of all information very seriously, and while we have no evidence to suggest that any information was subject to actual or attempted misuse as a result of this incident, this letter includes information about the incident and steps you can take to help protect your information.

What Happened: On October 25, 2021, we experienced a network disruption that impacted certain systems. Upon discovery, we took immediate action to address and investigate the incident, which included engaging third-party specialists to assist with determining the nature and scope of the incident. A thorough investigation determined that limited information maintained on our network was accessed by an unauthorized actor. We then began a thorough and time intensive review of the contents of the data to determine the type of information contained within our files and to whom that information related. On February 28, 2022, this review was completed and we immediately worked to obtain up-to-date address information in order to provide you with this notice. On March 17, 2022, this process was completed.

What Information Was Involved: The types of information contained within the affected data included your first and last name, in combination with the following data element(s): <Data Elements>.

What We Are Doing: We have taken the steps necessary to address the incident and are committed to fully protecting all of the information that you have entrusted to us. Upon learning of this incident, we immediately took steps to secure our systems and undertook a thorough investigation. We have also implemented additional technical safeguards to further enhance the security of information in our possession and to prevent similar incidents from happening in the future. Additionally, we are offering you complimentary credit monitoring and identity protection services.

What You Can Do: We recommend that you remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements for suspicious activity and to detect errors. If you discover any suspicious or unusual activity on your accounts, please promptly contact your financial institution. We have provided additional information below, which contains more information about steps you can take to help protect yourself against fraud and identity theft.

For More Information: Should you have any questions or concerns, please contact our dedicated assistance line which can be reached at 855-980-0945, Monday through Friday, 9am to 9pm Eastern. The security of information is of the utmost importance to us. We stay committed to protecting your trust in us and continue to be thankful for your support.

Sincerely,

The SandRidge Team

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your credit reports/account statements and explanation of benefits forms for suspicious activity and to detect errors. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus, TransUnion, Experian, and Equifax. To order your free credit report, visit www.annualcreditreport.com or call 1-877-322-8228. Once you receive your credit report, review it for discrepancies and identify any accounts you did not open or inquiries from creditors that you did not authorize. If you have questions or notice incorrect information, contact the credit reporting bureau.

¹ WebScan searches for your Social Security Number, up to 5 passport numbers, up to 6 bank account numbers, up to 6 credit/debit card numbers, up to 6 email addresses, and up to 10 medical ID numbers. WebScan searches thousands of Internet sites where consumers' personal information is suspected of being bought and sold, and regularly adds new sites to the list of those it searches. However, the Internet addresses of these suspected Internet trading sites are not published and frequently change, so there is no guarantee that we are able to locate and search every possible Internet site where consumers' personal information is at risk of being traded.

² The Automatic Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC

³ Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of such pre-approved offers, visit www.optoutprescreen.com.

⁴ The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

You have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a one-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any of the three credit reporting bureaus listed below.

As an alternative to a fraud alert, you have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without your express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., III, etc.);
2. Social Security number;
3. Date of birth;
4. Address for the prior two to five years;
5. Proof of current address, such as a current utility or telephone bill;
6. A legible photocopy of a government-issued identification card (e.g., state driver’s license or identification card); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft, if you are a victim of identity theft.

Should you wish to place a fraud alert or credit freeze, please contact the three major credit reporting bureaus listed below:
