Re: Notification of a Data Security Incident

Dear Attorney General MacDonald:

We represent Simma Flottesmesch & Orensteinin (“Simma”) in connection with a recent incident that may have impacted the personal information of one (1) New Hampshire resident. Simma is reporting a potential unauthorized access of unencrypted computerized data containing personal information of the one (1) New Hampshire resident pursuant to N.H. REV. STAT. ANN. § 359-C:20. This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to its submission. While Simma is notifying you of this incident, Simma does not waive any rights or defenses relating to the incident or this notice, or the applicability of New Hampshire law on personal jurisdiction.

NATURE OF THE SECURITY BREACH OR UNAUTHORIZED USE OR ACCESS

Simma recently learned that certain of its clients’ personal information could have been viewed as a part of an email account compromise. At this point, Simma is not aware of any fraud or identity theft to any individual as a result of this incident, and does not know if any personal information was actually obtained by an unauthorized party. Nevertheless, because there was an email account compromise and Simma cannot confirm exactly what, if any, information may have been obtained, Simma searched impacted accounts for personal information. The compromised accounts contained some personal information, including names, addresses, Social Security numbers, and for a small number of people drivers’ license numbers.

NUMBER OF NEW HAMPSHIRE RESIDENTS AFFECTED

On June 28, 2018, Simma determined that one (1) New Hampshire resident may have been impacted by this incident. Simma will be notifying impacted individuals of the situation by letter on, July 19, 2018. Enclosed is a copy of the notice that is being sent to the impacted individuals.

Dear [REDACTED]:

We value and respect the privacy of your information, which is why we are writing to advise you of a recent incident that may have involved certain of your personal information. On June 28, 2018, we learned that certain of your personal information could have been viewed as part of an email account compromise, when six of our staff email accounts were accessed by an unauthorized party. Upon learning of the incident, we promptly locked down the effected accounts and are now taking steps to implement additional security by adding two factor authentication to our email system. We also retained a leading forensic security firm to investigate and confirm the security of our email and computer systems.

At this point, we are not aware of any fraud or identity theft to any individual as a result of this incident, and do not know if any personal information was actually obtained by an unauthorized party. Nevertheless, because there was an email account compromise and we cannot confirm exactly what, if any, information may have been obtained, we searched impacted accounts for personal information. The compromised email accounts did contain some personal information, primarily information contained in attachments to in-bound emails sent to us by our clients and inter-office email between staff. You are receiving this notice because certain of your personal information was in the affected accounts and could have been accessed, including your name, address Social Security number and, for some people, driver's license number.

Although we are not aware of any instances of fraud or identity theft, we are offering a complimentary one-year membership of Experian IdentityWorksSM Credit 3B. Additional Important Information

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps to you can take to avoid identity theft. For more information and to contact the FTC, please visit www.ftc.gov/idtheft or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at: Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

Credit Reports: You may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies by visiting <http://www.annualcreditreport.com>, by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at <https://www.annualcreditreport.com/cra/requestformfinal.pdf>.

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries, including obtaining information about fraud alerts and placing a security freeze on your credit files, is as follows:

| | | |
|---|--|--|
| Equifax 1-800-349-9960 www.equifax.com P.O. Box 105788 Atlanta, GA 30348 | Experian 1-888-397-3742 www.experian.com P.O. Box 9554 Allen, TX 75013 | TransUnion 1-888-909-8872 www.transunion.com P.O. Box 2000 Chester, PA 19022 |
|---|--|--|

Fraud Alerts: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at <http://www.annualcreditreport.com>.

Credit and Security Freezes: You may have the right to put a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. In addition, you may incur fees to place, lift and/or remove a credit freeze. Credit freeze laws vary from state to state. The cost of placing, temporarily lifting, and removing a credit freeze also varies by state, generally starting at \$5 per action at each credit reporting company. *Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company.* Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:

| | | |
|---|--|---|
| Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348 | Experian Security Freeze P.O. Box 9554 Allen, TX 75013 | TransUnion Security Freeze Fraud Victim Assistance Dept. P.O. Box 6790 Fullerton, CA 92834 |
|---|--|---|

You can obtain more information about the fraud alerts and credit freezes by contacting the FTC or one of the national credit reporting agencies listed above.
