Re: Incident Notification

Dear Attorney General MacDonald:

I am writing on behalf of my client, the Smith Freed & Eberhard, P.C. ("SFE"), to notify you of a security incident involving one New Hampshire resident.¹

SFE discovered a potential information security incident at the firm on July 26, 2018. SFE immediately launched an investigation and engaged a leading cyber security and forensics firm to help contain and investigate the incident. On August 17, 2018, the investigation determined that the name and Social Security number of one New Hampshire resident may have been acquired without authorization. After this date, SFE continued its investigation of the incident and immediately began to verify the personal information involved and prepare notifications.

In accordance with N.H. RSA § 359-C:20(IV), on Friday, September 21, 2018, SFE will mail a notification letter to one New Hampshire resident that may have been affected by this incident. A copy of the notification letter is attached. SFE will be offering the individual a complimentary, one-year membership to credit monitoring and identity theft protection services through Experian. SFE is also providing a dedicated call center that customers can contact with any questions they may have.

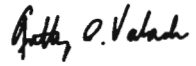

To help prevent a similar incident from happening in the future, SFE is reviewing its information security policies and procedures and working to further improve its security controls.
