Re: Incident Notification

Dear Attorney General Formella:

We are writing on behalf of Touchstone Medical Imaging, LLC (“TMI”) to notify you of a security incident involving one New Hampshire resident.¹ TMI is a covered entity under the Health Insurance Portability & Accountability Act (“HIPAA”).

On December 24, 2021, the IT Department identified a security incident that impacted systems containing patient information. They immediately initiated their incident response process, notified law enforcement, and began an investigation with the assistance of a forensic firm. The investigation determined that, between December 17 and December 24, 2021, an unauthorized party gained access to the network and took copies of some of the documents on its system. The entity immediately began a comprehensive review of all documents involved to determine what information may have been accessible to the unauthorized party. Through this review, the entity identified documents that contained the name and Social Security number of one New Hampshire resident.²

On February 18, 2022, TMI will mail a notification letter to the New Hampshire resident pursuant to HIPAA (45 CFR §§ 160.103 and 164.400 *et seq.*) and N.H. Rev. Stat. Ann. § 359-C:20, in substantially the same form as the enclosed letter. TMI is offering the individual a

¹ This notice does not waive TMI’s objection that New Hampshire lacks personal jurisdiction over it regarding any claims related to this incident.

² Please note that approximately two additional New Hampshire residents are receiving notice pursuant to HIPAA, but the information identified for these individuals does not constitute Personal Information as defined by N.H. Rev. Stat. Ann. § 359-C:20.

complimentary one-year membership to credit monitoring and identity theft protection services. TMI has also established a dedicated, toll-free call center where all individuals may obtain more information regarding the incident.

To help prevent something like this from happening again, TMI is continuing to implement additional safeguards and enhancements to its information security, systems, and monitoring capabilities.

Please do not hesitate to contact me if you have any questions regarding this matter.

Sincerely,

To opt out of such pre-approved offers, visit www.optoutprescreen.com ⁴The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. If you believe you are the victim of identity theft or have reason to believe your personal information has been misused, you should immediately contact the Federal Trade Commission and/or the Attorney General's office in your state. You can obtain information from these sources about steps an individual can take to avoid identity theft as well as information about fraud alerts and security freezes. You should also contact your local law enforcement authorities and file a police report. Obtain a copy of the police report in case you are asked to provide copies to creditors to correct your records. Contact information for the Federal Trade Commission is as follows:

Fraud Alerts and Credit or Security Freezes:

Fraud Alerts: There are two types of general fraud alerts you can place on your credit report to put your creditors on notice that you may be a victim of fraud—an initial alert and an extended alert. You may ask that an initial fraud alert be placed on your credit report if you suspect you have been, or are about to be, a victim of identity theft. An initial fraud alert stays on your credit report for one year. You may have an extended alert placed on your credit report if you have already been a victim of identity theft with the appropriate documentary proof. An extended fraud alert stays on your credit report for seven years.

To place a fraud alert on your credit reports, contact one of the nationwide credit bureaus. A fraud alert is free. The credit bureau you contact must tell the other two, and all three will place an alert on their versions of your report.

For those in the military who want to protect their credit while deployed, an Active Duty Military Fraud Alert lasts for one year and can be renewed for the length of your deployment. The credit bureaus will also take you off their marketing lists for pre-screened credit card offers for two years, unless you ask them not to.

Credit or Security Freezes: You have the right to put a credit freeze, also known as a security freeze, on your credit file, free of charge, which makes it more difficult for identity thieves to open new accounts in your name. That's because most creditors need to see your credit report before they approve a new account. If they can't see your report, they may not extend the credit.

How do I place a freeze on my credit reports? There is no fee to place or lift a security freeze. Unlike a fraud alert, you must separately place a security freeze on your credit file at each credit reporting company. For information and instructions to place a security freeze, contact each of the credit reporting agencies at the addresses below:

- **Experian Security Freeze**, PO Box 9554, Allen, TX 75013, www.experian.com
- **TransUnion Security Freeze**, PO Box 2000, Chester, PA 19016, www.transunion.com
- **Equifax Security Freeze**, PO Box 105788, Atlanta, GA 30348, www.equifax.com

You'll need to supply your name, address, date of birth, Social Security number and other personal information.

After receiving your freeze request, each credit bureau will provide you with a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place. You will need it if you choose to lift the freeze.

How do I lift a freeze? A freeze remains in place until you ask the credit bureau to temporarily lift it or remove it altogether. If the request is made online or by phone, a credit bureau must lift a freeze within one hour. If the request is made by mail, then the bureau must lift the freeze no later than three business days after getting your request.

If you opt for a temporary lift because you are applying for credit or a job, and you can find out which credit bureau the business will contact for your file, you can save some time by lifting the freeze only at that particular credit bureau. Otherwise, you need to make the request with all three credit bureaus.
