***Re: Notification of a Data Security Incident***

Dear Attorney General Formella:

We represent Transportation Federal Credit Union (“TFCU”), 1600 Cameron St Suite 200, Alexandria, VA 22314, in connection with an incident that involved the personal information of certain New Hampshire residents. TFCU is reporting the incident pursuant to N.H. REV. STAT. ANN. § 359-C:20. This notice will be supplemented, if necessary, with any new significant facts discovered subsequent to this submission. While TFCU is notifying you of this incident, TFCU does not waive any rights or defenses relating to the incident, this notice, or the applicability of New Hampshire law on personal jurisdiction.

**NATURE OF THE INCIDENT**

On November 15, 2023, TFCU discovered that an unknown, unauthorized third party had accessed an employee’s TFCU email account and tricked another TFCU employee into initiating a fraudulent wire transfer from a TFCU corporate account (not a member account). Upon discovering the incident, TFCU promptly secured the employee’s email account, began efforts to retrieve the fraudulently transferred funds, and began an investigation.

TFCU, through its counsel, engaged a forensic security firm to assist with its investigation and to confirm the security of TFCU’s email environment. The forensic investigation determined that an unknown, unauthorized third party accessed a TFCU employee email account from August 30, 2023, to September 4, 2023, and accessed a different TFCU employee email account from November 14, 2023, to November 15, 2023.

TFCU reviewed the contents of the two (2) involved email accounts to determine if they contained any personal information that had the potential to have been viewed or acquired by the third party.

February 7, 2024

On December 26, 2023, TFCU determined that the accounts contained personal information for certain individuals. The information varied by individual and, depending on the individual, included

### **NUMBER OF NEW HAMPSHIRE RESIDENTS AFFECTED**

TFCU determined that the incident involved unauthorized access to the personal information of six (6) New Hampshire residents. TFCU is notifying those individuals of the incident by letter today, February 7, 2024. The notification letter includes information on ways the individuals can protect themselves against potential fraud and identity theft, as well as a telephone number to call with any questions regarding the incident. For those individuals whose Social Security numbers or driver's license numbers were involved in the incident, TFCU is providing those individuals with \_\_\_\_\_ of free credit monitoring services. Enclosed is a sample of the notice sent to the individuals via first-class United States mail.

### **STEPS TAKEN RELATING TO THE INCIDENT**

As noted above, upon learning of the incident, TFCU promptly took steps to secure the accounts and began an investigation. It also notified law enforcement and engaged a forensic security firm to investigate and confirm the security of its email and computer systems. TFCU is undertaking efforts to reduce the risk of a similar incident occurring in the future, including enhancing its technical security measures. Finally, as discussed above, TFCU is notifying the potentially involved individuals, providing free credit monitoring services as appropriate, and providing individuals with information on how they can protect themselves against fraudulent activity and identity theft.

As a precautionary measure, we recommend that you remain vigilant to protect against potential fraud and/or identity theft by, among other things, reviewing your account statements and monitoring credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You should also promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general, as well as the Federal Trade Commission ("FTC").

You may wish to review the tips provided by the FTC on fraud alerts, security/credit freezes and steps you can take to avoid identity theft. For more information and to contact the FTC, please visit [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft) or call 1-877-ID-THEFT (1-877-438-4338). You may also contact the FTC at Federal Trade Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**Credit Reports:** By law, you may obtain a free copy of your credit report once every 12 months from each of the three national credit reporting agencies. The three national credit reporting agencies have also agreed to provide free weekly online credit reports. You can obtain your free credit report by visiting [www.annualcreditreport.com](http://www.annualcreditreport.com), by calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. **Fraud Alerts:** By law, you have the right to place a fraud alert on your credit report if you believe you have been, or are about to become, a victim of fraud or related crime. A fraud alert is free and will stay on your credit report for one (1) year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. Additional information is available at [www.annualcreditreport.com/protectYourIdentity.action](http://www.annualcreditreport.com/protectYourIdentity.action).

**Credit and Security Freezes:** By law, you have the right to place a credit freeze, also known as a security freeze, on your credit file, so that no new credit can be opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to get access to your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Unlike a fraud alert, you must separately place a credit freeze on your credit file at each credit reporting company. Since the instructions for how to establish a credit freeze differ from state to state, please contact the three major credit reporting companies as specified below to find out more information:
