# Re: Notification of Data Security Incident

Dear Attorney General Formella:

Constangy, Brooks, Smith, and Prophete LLP represents Tri-City Healthcare District ("Tri-City") in connection with a data security incident described in greater detail below. The purpose of this letter is to notify you of the incident in compliance with New Hampshire's data breach notification statute.

## 1. Nature of the Security Incident

On November 9, 2023, Tri-City became aware of unusual activity that disrupted access to certain systems. Upon discovering this activity, Tri-City took steps to secure its digital environment. Tri-City also engaged leading cybersecurity experts to assist with an investigation and to determine whether personal information may have been accessed or acquired without authorization. The investigation revealed that an unknown actor may have gained access to certain data from the Tri-City network on or about November 8, 2023. Tri-City then worked with additional experts to conduct a comprehensive review to determine what personal information was involved. On or about March 7, 2024, Tri-City learned that files containing personal information may have been accessed in connection with this incident.

#### 2. Number of Affected New Hampshire Residents Notified

On April 4, 2024, Tri-City notified 3 New Hampshire residents by letter mailed via first class U.S. mail. A sample copy of the notification letter is included with this correspondence.

The impacted information may include the residents'

#### 3. Measures Taken to Address the Incident

In response to the incident, Tri-City retained cybersecurity experts and launched a forensics investigation to determine the source and scope thereof. Tri-City implemented additional security measures to further harden its environment in an effort to prevent a similar event from occurring in the future. Tri-City also notified the Federal Bureau of Investigation and U.S. Department of Homeland Security, and will provide whatever cooperation is necessary to hold the perpetrators accountable, if possible.

Tri-City is notifying the affected individuals and providing resources and steps individuals can take to help protect their information. The notification letter also offers complimentary identity protection services to each individual whose personal information was affected by this event, including of credit and CyberScan monitoring, a \$1,000,000 insurance reimbursement policy, and fully managed identity theft recovery services. Those services are offered through IDX, A Zero Fox Company, the data breach and recovery services expert. IDX will also support a call center for at least 90 days to answer questions and assist with enrollment.

# 4. Contact Information

Tri-City takes the privacy and security of all information in its possession very seriously. If you have any questions or need additional information, please do not hesitate to contact me at

Sincerely yours,

Maria Efaplomatidis of CONSTANGY, BROOKS, SMITH & PROPHETE LLP

# STEPS YOU CAN TAKE TO HELP PROTECT YOUR INFORMATION

**Review Your Account Statements and Notify Law Enforcement of Suspicious Activity:** As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

**Copy of Credit Report:** You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <u>http://www.annualcreditreport.com/</u>, calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You also can contact one of the following three national credit reporting agencies:

Equifax	Experian	TransUnion
P.O. Box 105851	P.O. Box 9532	P.O. Box 1000
Atlanta, GA 30348	Allen, TX 75013	Chester, PA 19016
1-800-525-6285	1-888-397-3742	1-800-916-8800
www.equifax.com	www.experian.com	www.transunion.com

**Fraud Alert:** You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <u>http://www.annualcreditreport.com</u>.

**Security Freeze:** You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

**Internal Revenue Service Identity Protection PIN (IP PIN):** You may also obtain an Identity Protection PIN (IP PIN) from the Internal Revenue Service, a six-digit number that prevents someone else from filing a tax return using your Social Security number or Individual Taxpayer Identification Number. The IP PIN is known only to you and the IRS, and helps the IRS verify your identity when you file your electronic or paper tax return. Even though you may not have a filing requirement, an IP PIN still protects your account. If you do not already have an IP PIN, you may get an IP PIN as a proactive step to protect yourself from tax-related identity theft either online, by paper application or in-person. Information about the IP PIN program can be found here: <a href="https://www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin">https://www.irs.gov/identity-theft-fraud-scams/get-an-identity-protection-pin</a>.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the FTC, or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state.
