To whom it may concern
Under the direction of UNH's Cybersecurity, and in accordance with New Hampshire RSA 359: C-20, the purpose of this email is to serve as notification of a Data Security Breach incurred at the University of New Hampshire Advancement Department on June 22, 2020 for **one users laptop**. The computer of a staff member was accessed remotely by an unauthorized non-UNH agent. The computer contained personal data files (containing the user and her daughters social security numbers and the users health enrollment information). The computer password was changed when reported and the computer was obtained by Cybersecurity for further investigation and a new computer issued to the affected user removing these records. While we cannot determine conclusively that the files were viewed or copied, the university has provided the affected individuals with appropriate notification in accordance with New Hampshire RSA 359: C-20.
Number of affected users = **one**

[REDACTED]

Date of notification to the one user = by phone and logged on June 24, 2020 and officially by email on July 13, 2020

Regards,
Ivy
