Dear Sir or Madam:

We represent YogaFit located at 9005 W Sahara Avenue, Las Vegas, NV 89117, and write, on behalf of YogaFit, to notify your Office of an incident that may affect the security of certain payment information of approximately three (3) New Hampshire residents. The investigation into this event is ongoing, and this notice will be supplemented with any new significant facts learned subsequent to its submission. By providing this notice, YogaFit does not waive any rights or defenses regarding the applicability of New Hampshire law, the New Hampshire data breach notification statute, or personal jurisdiction.

Nature of the Data Event

On or about May 27, 2020, YogaFit began investigating a report from a customer of an unusual payment card charge. YogaFit immediately began investigating this report by working with its web developer to review its website code. The investigation determined that YogaFit was the victim of a sophisticated cyber-attack that may have resulted in a compromise to some of its customers' credit and debit cards used to make purchases on its website, www.yogafit.com, between April 11, 2020 and May 27, 2020. YogaFit took steps to confirm the identity of the customers whose personally identifiable information was impacted. During the investigation YogaFit took steps to address the issue and to secure its website. Individuals can safely and securely use payment cards on YogaFit's website. The investigation determined that the following types of information related to New Hampshire residents may have been accessible within the impacted accounts: the cardholder's name, address, credit card number, expiration date, CVV, and username and password.

Notice to New Hampshire Residents

On or around July 22, 2020, YogaFit began providing written notice of this incident to potentially affected individuals, including approximately three (3) New Hampshire residents. Written notice is being provided in substantially the same form as the letter attached here as *Exhibit A*.

Other Steps Taken and To Be Taken

Upon learning of unusual activity related to its website, YogaFit immediately took steps to secure its website and launched an in-depth investigation, with the assistance of its web developer, to determine the nature and scope of this incident. As part of YogaFit's ongoing commitment to the privacy of payment information in its care, YogaFit is reviewing its existing policies and procedures and implementing additional safeguards to further secure the payment information. YogaFit is also notifying relevant regulatory authorities of this event, as required by applicable law.

Steps You Can Take to Protect Personal Information

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian

PO Box 9554
Allen, TX 75013
1-888-397-3742

Equifax

Atlanta, GA 30348-5788

In order to request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
