Part 1. Statewide Project Partner(S)

The New Hampshire Department of Justice (hereinafter "the Agency") received a Federal grant from the US Department of Justice Office for Victims of Crime (OVC) beginning October 2018. This grant in part was to assist the agency to redevelop a State Victim Assistance Academy (SVAA).

Since 1995, OVC has provided critical leadership by addressing training needs to professionals responding to victims of crime, through the development of SVAAs. SVAAs are intensive, immersive training opportunities, similar to that of police academies, for early career victim service providers and other allied professionals. These academies have become central initiatives for integrating cross-disciplinary, interagency trainings that prepare and support early career learning and skill-building, and promote meaningful collaborations among providers working with victims of crime. SVAAs ensure that crime victims and survivors will receive culturally relevant, trauma informed services they need to achieve safety, support healing and promote the pursuits of justice. The need for quality training that SVAAs provide has been widely identified through national scope assessments, including most recently the Vision 21: Transforming Victim Services, Final Report and a Statewide victim services stakeholder needs assessment the Agency conducted in 2019. The Statewide needs assessment results can be found at: https://www.doj.nh.gov/grants-management/index.htm.

Participants of New Hampshire’s SVAA will come from the fields of law enforcement and victim advocacy; including domestic/sexual violence crisis centers, prosecutor offices, CASA of NH and child advocacy centers.

The SVAA will provide foundational training on topics such as:

- Trauma
- Building Community Partnerships
- Resiliency
- Dealing with Difficult People
- Victims Compensation
- Boundaries
- Ethics
- Cultural Competency/cultural humility

The Agency seeks a project partner to develop the curriculum for (Component A) and provide ongoing logistical support to (Component B) the SVAA. It is anticipated that the first SVAA will be held in May of 2021. See Part 7 for Statement of Work.
The Agency created a SVAA Steering Committee that will be closely involved with the creation, execution, and ongoing development of the SVAA.

**Part 2. Eligibility**

Individual(s) and/or organization(s) capable of curriculum development and instructional design and/or training project management and logistical support, in partnership with the Agency, Statewide victim services stakeholders and the SVAA Steering Committee.

**Part 3. Award**

If the State decides to award a contract as a result of this RFP process, any award is contingent upon approval of the Contract by Governor and Executive Council of the State of New Hampshire.

The Agency will require the successful bidder to execute a fixed price Contract using the Terms and Conditions of the State of New Hampshire P-37 Form Contract. While the Agency may consider minor modifications of this form during negotiations, the State will not accept material changes from this form agreement. To the extent that a Proposer believes that exceptions to the standard form contract will be necessary for the vendor to enter into the Agreement, the Proposer should note those issues during the Proposer inquiry period. The Agency will review requested exceptions and accept or reject the same at its sole discretion. If the Agency accepts a Proposer’s exception the Agency will, at the conclusion of the inquiry period, provide notice to all potential vendors of the exception which has been accepted and indicate that the material change is available to all potential bidders. Any exceptions to the standard form contract that are not raised during the vendor inquiry period are waived. In no event is a Proposer to submit its own standard contract terms and conditions as a replacement for the State’s terms in response to this solicitation.

If an award is made, it shall be made based upon evaluation of the submitted proposals in accordance with the review process outlined in Part 9 below. The award will be based upon criteria, standards, and weighting identified in Part 9 of this RFP.

The Term of the Contract(s) will be from the date of Governor and Council approval through September 30, 2021.

If a vendor is applying for both Components, please include a price/budget for Component A and Component B separately.

The SVAA will offer 40 hours of training with a mixed methodology of in-person and web based content, for a cohort of 30 students. The proposed date of the first academy is May 2021. The location is TBD within the State of New Hampshire with the Steering Committee and Agency having the final decision on location. The Steering Committee will identify various subject matter experts to provide input into the training content and to deliver the modules. Therefore, the selected vendor is not required to be a subject matter expert.

Proposers are advised that the Agency may decide to conduct interviews with less than all responsive vendors.

The purpose of oral interviews and product demonstrations is to clarify and expound upon information provided in the written Proposals. Proposers are prohibited from altering the basic substance of their Proposals during the oral interviews and product demonstrations. The Agency may ask the Proposer to provide written clarifications of elements in their Technical Proposal regardless of whether it intends to conduct Oral Interviews.

Information gained from oral interviews and product demonstrations will be used to refine technical review scores assigned from the initial review of the Proposals.

Part 9. Selection Criteria and Award Process

An award will be made based on a competitive scoring process and are subject to the approval of the Attorney General and the Governor and Executive Council. NH Department of Justice staff will do an initial review of all proposals for compliance. A panel of NH Department of Justice staff and one or more members from outside the NHDOJ will review and score all compliant applications.

The Agency will use a scoring scale of 100 points for each Component, a maximum of 80 points awarded based on the Technical Proposal and a maximum of 20 points awarded for the Price Proposal, which will be distributed as set forth below.

    Scoring Values:

    Qualifications of Key Personnel – 15
    Understanding the SVAA Needs – 20
    Approach – 30
    Project Management – 15
    Price – 20

Maximum total points for each Component – 100

    Bonus Points – 4
Two points will be awarded under Component A and 2 points will be awarded under Component B for proposals addressing both Components.

**Qualifications of Key Personnel**

The management plan and task milestone chart must be detailed enough to establish the management capabilities of prospective project managers.

**Price**

Price Proposals will be reviewed upon completion of the final technical scoring of Proposals. The Proposer’s Price Proposal will be allocated a maximum potential score of 20 points. Proposers are advised that this is not a low bid award and that the scoring of the Price Proposal will be combined with the scoring of the Technical Proposal to determine the overall highest scoring Proposer.

The following formula will be used to assign points for costs:

Proposer’s Price Score = (Lowest Proposed Price / Proposer’s Proposed Price) x Weight

The highest scored proposal will receive a recommendation for approval. Recommendations are subject to approval by the Attorney General and the Governor and Executive Council. The Agency will enter into negotiations for a contract with the selected proposer. The form of contract will be substantially similar to the document set forth as Appendix A.
