“Bob Evans”

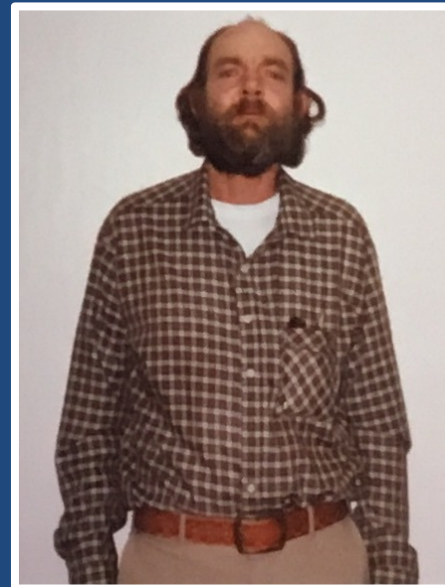

In the Summer of 2016, the San Bernardino County Sheriff's contacted Manchester PD and the NH State Police regarding a 5 year old child who was abandoned in 1986 by a man claiming to be her father.

This man is identified as living in California between 1984-1986 under the aliases of Curtis Kimball and Gordon Jensen.

Terry Rasmussen in California

- Terry Rasmussen, using the name Curtis Kimball, was arrested in 1989 on charges related to Lisa's abandonment. He served a brief prison sentence and absconded from parole in 1990.
- He was a fugitive for the next 12 years, believed to be living in California.

Terry Rasmussen, aka “Bob Evans”

- Curtis Kimball (aka Terry Rasmussen) is convicted of Jun’s murder, and dies in a California State Prison in 2010.
- During the homicide investigation, California authorities use DNA testing to confirm that Lisa is NOT Kimball’s biological daughter. This spawns a secondary investigation into her true identity.
- California authorities use a genetic genealogist to identify biological relatives of Lisa. This leads them to NH, where further DNA testing confirms Lisa’s true identity is Dawn Beaudin.
- Dawn’s mother Denise Beaudin left Manchester in the fall of 1981 with her then-boyfriend “Bob Evans.” They had not been seen since.
- Denise’s family confirms “Bob Evans” is Kimball/Jensen/Vanner.
- A multi-agency investigation into Bob Evans is launched.

Thank you to everyone who never gave up on the “Allentown victims.” We also want to express our sincere gratitude to the media for helping in the efforts to identify our loved ones.
