RE: **Roll of Honor of New Hampshire's Fallen Heroes**

This is National Police Week and Friday, May 15, 2020, is Peace Officers Memorial Day. Unfortunately, due to the current public health crisis that this country and the State of New Hampshire are facing, the Law Enforcement Officers' Memorial Association made the difficult decision to cancel the 2020 Memorial Ceremony at the New Hampshire Law Enforcement Memorial in Concord. At that annual ceremony, we honor and recognize the dedication and bravery of those law enforcement and correctional officers who made the ultimate sacrifice.

We did not want this week to pass without recognizing the bravery and dedication of all the men and women serving our communities and state as law enforcement officers and the sacrifices they all make to keep our state safe and secure. We also want to recognize those New Hampshire Fallen Heroes, along with their Agencies, who sacrificed their lives in the protection of all New Hampshire citizens. We especially recognize the unimaginable sacrifices made by the families and friends of these Fallen Heroes who have had to endure not only the pain but the emptiness left by the loss of their loved one.

At this annual ceremony, the Attorney General has the distinct honor of reading the names of each Fallen Hero and the Agency for which they worked at the end of their watch. The reading of the Roll of Honor is the most solemn part of each of these ceremonies.

Attached to this Memorandum is the Roll of Honor. We ask that each Agency leader distribute this Memorandum and the Roll of Honor to all officers and that, during each shift, there be a moment of silence for these heroes.
