To Whom It May Concern:

In accordance with RSA 30-B:12, Inspection of Correctional Facilities, please be advised that the Grafton County Board of Commissioners have visited the facility on several occasions since my last report and have toured the facility last on Tuesday January 29, 2013.

In addition to touring the facility the Commissioners routinely meet with me to discuss facility operations. The Commissioners have a genuine interest regarding inmate and staff related safety, security, programming, and educational issues.
