RE: RSA 30-B:12 - Inspection of Correctional Facilities

Dear Director Faretra:

Consistent with the above referenced statute; please be advised that I have conducted a complete examination of the Hillsborough County Department of Correctional facility. I have found the condition of the facility, the security of the inmates, and the management to be in order.

The inmates are being cared for pursuant to New Hampshire RSA 30-B:4 IV, and are appropriately supervised by trained correctional staff. Based on inmate behavior, inmates are afforded the opportunity to participate in a range of programs.

I plan to conduct more frequent, informal, examinations throughout my term to ensure the facility and its staff continues to meet the professional standards set by the Superintendent.

As of this writing, there are no specific actions that need to be taken.

If you have any questions, please do not hesitate to call.

Sincerely,

Sandra Ziehm
Commissioner, District 2
