Re: Inspection of County Corrections Facilities pursuant to RSA 30-B:12

Dear Ms. Rice:

On December 13, 2016 Merrimack County Commissioners Peter Spaulding and Bronwyn Asplund-Walsh conducted a tour and inspection of the Merrimack County Correctional Facility.

The Commissioners inspected male and female inmate living areas, day rooms and outside recreation facilities. It was noted that flooring in processing was worn down to the concrete and showers throughout the facility need some repairing.

The Commissioners were apprised by Superintendent Cunningham of the renovations to the new Edna McKenna Facility, heating plant and on-going security upgrades.

The Board of Commissioners will continue to make scheduled as well as unannounced tours and inspections of the correctional facility.

If there are any questions, please do not hesitate to contact my office at the above number.

Sincerely,

  
Peter Spaulding  
Chairman
