*Black and White photocopies of documents and of black and white computer-printed documents will be charged at \$0.50 per page for the first 10 pages of any document for letters (8.5 x 11) size, legal (8.5 x 14) size and ledger (11 x 17) size and \$0.10 per page thereafter. For example, since each document is treated separately for purposes of these charges, if a person wanted copies of both a 10 page document and a 20 page document, there would be a \$5.00 charge for the first document (\$0.50 x 10) and a \$6.00 charge for the second document (\$0.50 x 10 + \$0.10 x 10), not a \$7.00 charge for the two documents.

Colored photocopies of letter, legal and ledger size documents and colored computer-printed documents will be charged \$1.00 per page for the first 10 pages and \$0.25 per page thereafter. If necessary, employees may need to indicate in writing that a document requested to be reproduced in color will require additional time consistent with the City's personnel and other capabilities within which to produce a colored copy of the document.
